**Re:** Monthly report for July 2019

During the month of July our airport was issue free with the exception of a white pickup truck driving on the runway a few days before the 4<sup>th</sup> of July. When questioned they were on a scavenger hunt and one task was to take a picture of the numbers at the end of the runway. I suggested this was a bad idea and to get the word out to others that the airport is off limits to scavenger hunts.

Attached are logs / checklists

Thanks !
