Re: Monthly Police Report for September 2019

During the month of August 2019, the La Pointe Police responded to the following:

312	Incidents/Complaints (calls for service)
76	Citizen Assists
3	Vehicle Registrations
3	Accidents
0	Civil Process
0	False Alarm
5	Call out
13	Animal Calls
14S	Parking Citations

August was just as busy as July and we are looking forward to the slowdown in September.

The two Full-time officers attended sexual assault training put on by the Department of Justice in Ashland in August and I will be attending a Sexual Assault Response Team training in Madison in September. Ashland County Social services acquired a grant to pay for mileage, meals and hotel for this training and wanted an officer from each department in the county to go. As officers were unable to go or did not wish to go, I volunteered.

I attended the Summer Police Leadership Conference at the beginning of August. It was a great training with good speakers such as a whole day from the force science institute and the impact of body cameras as well as Social Media Crisis Communication with Hannah Stonehouse Hudson.

I contacted Ashland Ford for an estimate on the delivery of the new squad as it is ordered and as of September 3, 2019, there is no update on its arrival.

The department took part in the program "drive sober or get pulled over" program that ran from August 16 through September 2nd. We have been very lucky in obtaining these grants which have really offset the costs of lost equipment in the fire this year.

If there are any questions or want to discuss things within the department, please feel free to come talk to me.
