

M.R.F. Supervisor's Monthly Report November 8<sup>th</sup>, 2019

The past month was busier than expected, the M.R.F. crew did the following:

Dealt with all incoming garbage from the businesses, residents, tourists, and anybody else that entered the facility.

Sorted and bagged all the recyclables brought in, and prepared them for baling.

Made bales of cardboard, paper, aluminum and plastic.

Dealt with contractors and locals accepting numerous yards of demolition.

Crushed and hauled several tons of glass to storage bin.

Hauled solid waste and demo boxes to Waste Management

Leveled demo and metal boxes.

Cleaned up around the grounds in preparation for winter.

Sorted out the electronics, and Microwaves in preparation for shipping.

Cleaned the shop area.

Answered numerous phone calls.

Additional info:

1. I will not be able to use up all my vacation time by the 22<sup>nd</sup>. I would like an extension, I should be able to use all but 40hrs. I plan to use that time during Hunting Season.

Respectfully Submitted,

Ted Pallas Supervisor M.R.F.
