**Re:** Monthly Police Report for October 2019

---

During the month of September 2019, the La Pointe Police responded to the following:

117	Incidents/Complaints (calls for service)
53	Citizen Assists
0	Vehicle Registrations
2	Accidents
0	Civil Process
4	False Alarm
2	Call out
3	Animal Calls
4	Parking Citations

It is most definitely getting colder, and already hearing hopeful rumblings of an ice road.

Update on our new truck, we should have possession before the first of the year (likely much sooner), I have received phone calls from both the dealership and a rep from the company building it in the past week. Which is a good thing, as we took the 2011 squad out of commission recently, we will no longer be using it unless we absolutely must.

Our new part time officer has passed his back-ground check and all the requirements, unfortunately he will not be able to start until December.

We would like to remind folks that the time limit in the town parking lots have changed as of November 1, 2019 until March 31, 2020. Lot W and Lot R will not have a 14-day time limit. Lot S at the ice road approach has a year-round 4-day limit and will be heavily enforced during the wind sled season.

With hunting season approaching, please be mindful of private property owners. Not everyone allows people to hunt their land. Quite a bit of land has changed ownership over the years and places you were once allowed to hunt, you may not be able to hunt any longer.

If there are any questions or want to discuss things within the department, please feel free to come talk to me.
