Re: Monthly Police Report for February 2020

During the month of January 2020, the La Pointe Police responded to the following:

38	Incidents/Complaints (calls for service)
24	Citizen Assists
0	Vehicle Registration assists
0	Accidents
0	Civil Process
0	False Alarm
0	Call out
4	Animal Calls
1	Parking Citations

Well, I think most of us have given up on the potential of an ice road by now. January was spent preparing for 2020, scheduling training and moving around files. The numbers were pretty much the exact same from December's numbers.

I am still working with the company that works with the state for registering vehicles, we are getting closer to having that service again, and an upgraded service at that.

The New truck is at Big Water Fire Apparatus awaiting its install of equipment. Steve had to delay the install due to some issues and will begin as soon as he can. In the meantime, I took the time to do the recommended break in that was recommended by Ashland Ford. Once the break in miles were completed, I delivered the truck to Big Water where it can wait until they complete the install of equipment. I met with Steve on the evening of Feb 6 to go over a few things with the squad, such as equipment that was no longer useful from the old squad that is needed for the new one etc. We are hopeful, barring any more delays to have the truck on the road in the next two weeks, a few parts had to be ordered.

From December 13 through the first of the year the department was involved in the National Campaign "Drive Sober Get Pulled Over". I am pleased to announce that not one person was arrested for an impaired driving offense during this campaign.

If there are any questions or wish to discuss things within the department, please feel free to come talk to me.
