Re: Monthly Police Report for March 2020

During the month of February 2020, the La Pointe Police responded to the following:

61	Incidents/Complaints (calls for service)
20	Citizen Assists
0	Vehicle Registration assists
0	Accidents
1	Civil Process
1	False Alarm
2	Call out
1	Animal Calls
10	Parking Citations

Ok, were over winter, bring on Summer. The calls for February increased, the anomaly of February is usually a combination of warmer weather and more people visiting the island.

I am sad to report that we will no longer be registering vehicles at the police department. The new method involved going through a vendor for the state and the fees to be able to do registrations through this vendor outweigh how many registrations we do in a year. For simple registrations, anyone can go to the WIDOT web site and register their own vehicles online. There you will be able to print out a temporary plate and temporary registration. You however will need a credit card to do this transaction. I can still offer help to those who can not figure out how to register online.

I attended the Wisconsin Police Leadership Foundation winter conference in February. There were many good topics this year. Officers will be attending training over the next few months to comply with their annual requirement.

I am extremely happy to announce the return of Sgt Rossberger this month. You will start seeing him on patrol towards the middle of the month.

If there are any questions or wish to discuss things within the department, please feel free to come talk to me.
