

M.R.F. Supervisor's Monthly Report May 8, 2020

The month of April's tasks completed include:

Accepting incoming garbage from all who entered the M.R.F.

Bagging recyclable plastics and preparing for baling.

Hauling barrels of glass into the shop for crushing.

Dumping those barrels and hauling to the storage area for future use.

Making bales of plastic, aluminum, cardboard, and paper.

Sorting old paint for processing

Working on the Haz-Mat.

Weighing electronics and placing into gaylords for shipment.

Cleaning up the shop and storage garage.

Answering numerous phone calls

Additional info:

1. Completed the annual report to D.N.R. for our recycling program.
2. The new garage doors are installed, and it will be great to lock up the shop again.

Respectfully Submitted,

Ted Pallas Supervisor M.R.F.
