

M.R.F. Supervisor's Monthly Report June 4.<sup>th</sup> 2020

The jobs done at the M.R.F. by Marty and me for May include:

Accepting incoming rubbish, demo, and all things from the residents, contractors, and strangers who entered the M.R.F.

Hauling in the recyclables bagging them up and storing until bales were made.

Bringing in glass crushing and dumping into the storage bin for future use.

Baling the aluminum, cardboard, paper, tin, and plastic for shipment to Chicago iron.

Hauling electronics to Duluth for pick up from Green Lights Recycling.

Working on the scrap metal recycling piles.

Sorting old paint and chemicals.

Servicing the equipment.

Leveling the demo boxes for hauling to Ashland.

Cleaning in the shop and around the grounds.

Answering numerous phone calls.

Additional info:

1. I will be setting up a hauling schedule as soon as I have a full- time driver for the roll-off truck.

Respectfully Submitted,

Ted Pallas Supervisor M.R.F.
