Re: Monthly Police Report for September 2020

During the month of August 2020, the La Pointe Police responded to the following:

- 188 Incidents/Complaints (calls for service)
- 66 Citizen Assists
- 1 Accidents
- 0 Civil Process
- 1 False Alarm
- 2 Call out
- 4 Animal Calls
- 11 Parking Citations

The number of calls for service were down from July, but we had many more serious calls in August from a drowning to a weapons call and a few water rescues. August kept the department on its toes all month. It seems that we have had about the same number of visitors this year as in the past, if not more. Call volume is down from previous years as the establishments that serve alcohol have been closing early.

The department is involved in the national campaign “Drive Sober or Get Pulled Over” which has run from August 21st through September 7th. As of the writing of this report, I do not have the final numbers for this campaign. Once again, we take part in these campaigns for a chance for an equipment grant.

Lastly, as of September 9, 2020, Officer Nick French is no longer employed as a full-time officer with the department. He has accepted a full-time position with the Ashland County Sheriffs Office. He will be coming back to us as a part time officer once his field training is completed for the sheriff’s office. Best of luck to Nick.

If there are any questions or wish to discuss things within the department, please feel free to come talk to me.
