

TOWN OF LA POINTE, ASHLAND COUNTY, WISCONSIN
ORDINANCE NO. 2020-01
Amended - Extended

AN ORDINANCE CREATING "FACE COVERING REQUIREMENTS DURING THE COVID-19 PANDEMIC"

Whereas, as of September 2020, COVID-19 cases have been on the rise in Wisconsin, Ashland County, and the South Shore in recent weeks; and

Whereas, public spaces and businesses are open for in-person operations in La Pointe, increasing the potential for community spread of COVID-19; and

Whereas, COVID-19 is primarily spread via respiratory droplets when people are in close proximity with each other and people that are infected speak, sneeze, or cough. People can be infected and have no symptoms (asymptomatic) and they are still able to transmit the virus; and

Whereas, the Centers for Disease Control (CDC), based on their review of the latest science, affirms that cloth face coverings are a critical tool in the fight against COVID-19 that could reduce the spread of the disease, particularly when used universally within communities, and

Whereas, wearing a face mask is one of the most effective ways to reduce person to person transmission of COVID-19. Face masks serve as a protection to prevent droplets from entering the air, which is known as source control. When combined with other preventive measures, including physical distancing and proper hygiene practices, wearing face masks is a simple and effective way to reduce the risk of COVID-19 transmission; and

Whereas, the risk of COVID-19 transmission remains high, particularly in indoor settings with an increased likelihood of close contact and the sharing of air that may contain coronavirus contaminated respiratory droplets and/or aerosols; and

Whereas, evidence cited by the Centers for Disease Control and Prevention (CDC) indicates that a significant portion of individuals with the coronavirus are asymptomatic, and that pre-symptomatic persons can transmit the virus to others before showing symptoms; and

Whereas, the Town of La Pointe is a destination for travelers and visitors from all over Wisconsin and the United States, including from states with higher per capita rates of COVID-19 infection than the State of Wisconsin or Ashland County; and

Whereas, in open meeting on July 28, 2020, the La Pointe Town Board found and declared that the restrictions and prohibitions imposed pursuant to this Ordinance are appropriate and necessary in order to slow and prevent the transmission of COVID-19 and more effectively protect the lives and property of people within the Town of La Pointe; and

NOW THEREFORE, at a regular meeting of the Town Board of La Pointe, Ashland County, Wisconsin, held on October 27, 2020, by a favorable vote of the members being present and therefore, said Board does ordain as follows:
