Re: Monthly Police Report for November 2020

During the month of October 2020, the La Pointe Police responded to the following:

105	Incidents/Complaints (calls for service)
25	Citizen Assists
0	Accidents
0	Civil Process
1	False Alarm
1	Call out
4	Animal Calls
1	Parking Citations

Calls for service continue the decline heading into the winter, we usually have spike during hunting season and the winter slow down ensues.

In early October three of us attended Emergency Vehicle Operations Course (EVOC) with the Bayfield County Sheriffs office. EVOC is a requirement by the State to have current every biennium and is not something we can do remotely. We have also begun fall firearms training with SGT Rossberger, you may randomly hear shots being fired at the department firing range. Two part time officers received their yearly firearms qualification already.

We are still paying a lot of attention to speeders on Big Bay Road from the MRF to the corner on Main Street. Even after we announced last month that we will be watching closely, several citations have been issued in this area.

If there are any questions or wish to discuss things within the department, please feel free to come talk to me.
