**Re:** Monthly Police Report for December 2020

---

During the month of November 2020, the La Pointe Police responded to the following:

59	Incidents/Complaints (calls for service)
15	Citizen Assists
0	Accidents
0	Civil Process
0	False Alarm
1	Call out
1	Animal Calls
0	Parking Citations

Welcome to the winter months, we have not seen many people around the island the past week, calls for service are down but that is to be expected. We are already speculating on an ice road and the possibilities thereof.

Deer hunting season went off without a hitch, there was only one trespassing complaint that came in and no emergency calls for lost or hurt hunters. Speaking of hunters, we appear to have been down in active hunters this year, unlike the mainland that had a significant increase. We also did not see many deer harvested this year.

December 18, 2020 through Jan 1, 2021, we will be participating in the national campaign Driver Sober Get Pulled over. Officers will be out looking to enforce drinking and driving, with the taverns closed, we hopefully will not have any. But we will be out looking non the less. Please if you drink this holiday season, get a ride.

If there are any questions or wish to discuss things within the department, please feel free to come talk to me.
