2	Looks better on dock than by pergola	2/17/2021 7:41 PM
3	The clunkiness and "what is this?!" reaction and it's meaning/symbolism.	2/16/2021 10:42 AM
4	It is the very definition of "Plop Art" in that it does not relate to the area or the island unless one has access to the artists explanation.	2/6/2021 9:52 AM
5	Looks like a landing pod with an unsavory payload. Fugly.	2/4/2021 4:48 PM
6	Too bulky and abstract with an obscure meaning. Competes unfavorably with the Pergola which is an island icon that should be left alone.	1/30/2021 4:33 PM
7	No obvious connection to Island; Absurd!	1/30/2021 10:10 AM
8	wow? alien invasion?	1/30/2021 8:28 AM

28	Too large, too industrial, should be more natural feeling	12/31/2020 8:44 AM

38	Ugly	12/3/2020 9:01 AM
39	There is not historical significance or connection to the Island.	12/2/2020 8:32 PM
40	Without an explanation from the artist it is difficult to view this as a gateway. I find the piece very unappealing	12/2/2020 2:49 PM
41	Too big and bulky. And too big and bulky for either location.	12/2/2020 12:36 PM

54	What the hell is this??? 50 shades of wrong!	11/26/2020 11:41 PM
55	The approach to Madeline Island for me has been one of silent joy and a peaceful mood that comes over me. Every time I land on the dock. This art is rough and incongruous to that feeling. I do not see or feel a connection to this art.	11/26/2020 9:04 AM
56	Yuck!!!!	11/25/2020 7:35 PM
57	design feels heavy and may obstruct view rather than enhance it.	11/25/2020 5:19 PM
58	Too heavy and blocks the view rather than enhances	11/25/2020 5:16 PM
59	I hate to offer negative feedback - I appreciate all art! But, this seems large and disruptive to my eyes. I'm not sure what it is or what it represents.	11/25/2020 1:33 PM
60	Looks like a dinosaur.	11/25/2020 12:23 PM
61	Awful, nothing relating to the island	11/25/2020 12:05 PM
62	Do not obscure historic pagoda and cover up memorial fountain, with anything!!!!!!!!!!!!!!!!!!!!	11/25/2020 11:47 AM
63	Visually, I think it fights with the base and surroundings.	11/25/2020 11:19 AM
64	that the town can not afford to do this at this time	11/24/2020 2:38 PM
65	i think the union of rock and steel and glass is a good idea but the actual lines are not unified into a single graceful piece	11/24/2020 5:27 AM
66	I don't think it's very appealing. I don't understand what it represents. I think the design is scaled way to large. Would be easy for children/drunken people to climb on.	11/23/2020 3:25 PM

67	an unattractive, uninspiring blob	11/23/2020 10:21 AM
68	The look of the sculpture is jarring. Also, it's not clear to visitors how it honors original inhabitants of the island.	11/23/2020 10:10 AM
69	My first reaction is that it looks like an octopus; not welcoming; not appealing; not visibly representative of the area.	11/23/2020 10:00 AM
70	Not really eye catching as a greeting	11/23/2020 9:36 AM
71	I don't like it at all. Feels nothing like Madeline Island.	11/23/2020 12:34 AM
72	The sculpture seems heavy and over simplified for such a beautiful place.	11/22/2020 11:31 PM
73	please do not cover the water fountain in front of the pergola	11/22/2020 11:30 PM
74	I don't think we need a sculpture - I'd rather see the money go to to the shelter.	11/22/2020 10:50 PM
75	This would embarrassing!	11/22/2020 8:57 PM
76	Clunky. Not representative of island.	11/22/2020 7:55 PM
77	I can't imagine trying to explain it to all of the tourists	11/22/2020 7:45 PM
78	No idea what it is or represents	11/22/2020 6:06 PM
79	Not a fan of this design	11/22/2020 5:22 PM
80	None	11/22/2020 5:21 PM
81	The price is a bit scary.	11/22/2020 3:14 PM
82	I don't think a rock is very aesthetically appealing or representative of the island.	11/22/2020 2:52 PM
83	"I always take into consideration the physical space and surrounding environment which would encompass the atmospheric qualities; light, weather, etc. Also within the pad would be incorporated four outdoor LED lights for night time viewing." Will these LED lights for nighttime viewing be on 24/7? I have concerns with this... If they really want to take into consideration the environment they would not add to the light pollution that occurs on the island.	11/22/2020 2:49 PM
84	Strange	11/22/2020 2:29 PM
85	Looks like a child's art project.	11/20/2020 8:57 AM
86	Oh dear. It's a fun piece but completely unsuited for this location. It doesn't fit with the feel of the town and is very unwelcoming to visitors.	11/19/2020 10:21 PM
87	Industrial crayons	11/19/2020 6:42 PM
88	gaudy, clunky, I mostly do not like this design	11/19/2020 3:45 PM

87	At least there is some discernable symbolism	11/22/2020 9:00 PM
88	Good to have white crane represented	11/22/2020 8:50 PM
89	Has indigenous characteristics.	11/22/2020 7:57 PM
90	I like the representation of the native american history.	11/22/2020 7:47 PM
91	Peace.	11/22/2020 6:10 PM
92	Elegant	11/22/2020 6:05 PM
93	Local and historic connection is strong	11/22/2020 5:55 PM
94	I love this!	11/22/2020 5:24 PM
95	The cranes represent the island's history and heritage.	11/22/2020 5:23 PM
96	I like that it connects to the Ojibwe through the artist and the subject.	11/22/2020 3:01 PM
97	I prefer this sooo much more. Please NO nighttime viewing lights!	11/22/2020 2:50 PM
98	Can feel the movement in the sculpture. The cranes celebrate the island's history and heritage.	11/20/2020 8:59 AM

99	Beautiful piece, though I'm not quite sure about the base. The design is a beautiful one and nicely suited for the site.	11/19/2020 10:25 PM
100	light and beautiful. water feature would be very fun.	11/19/2020 3:50 PM

68	The base detracts from the elegance of the shape	11/22/2020 6:05 PM
69	None	11/22/2020 5:23 PM
70	It seems top-heavy, visually kind of bland, and more earnest than interesting.	11/22/2020 3:20 PM
71	I didn't immediately make the connection to Chief White Crane and wondered why the bird was chosen.	11/22/2020 3:01 PM
72	Do not have one - like her piece very much.	11/20/2020 8:59 AM

Q5 Two sites are being explored for sculpture installation: a) the arm of the ferry dock to the left side of the blue bin - benches added around the sculpture on the ferry dock will create a pocket park setting; OR b) in the pergola area. What are your thoughts about these proposed locations?

#	RESPONSES	DATE
1	I think having Bob Adams piece on the dock and Lisa Kosmos's by the pergola could be PERFECT.	3/1/2021 1:09 PM
2	Ferry Dock is a nicer location, but is not near anything & may pose safety/flow issues	2/17/2021 7:42 PM
3	prefer the area near the gazebo	2/16/2021 10:47 AM
4	I think the pergola area is a better location because it is located on the mainland and at the gateway to the town. The pocket park idea of the dock would be acceptable as well, however the dock and surrounding area would need considerable improvements.	2/6/2021 10:09 AM
5	People on foot will have more chance to enjoy than in cars.	2/4/2021 5:11 PM
6	Prefer the dock location as a island entry point that does not compete with the Pergola.	1/30/2021 4:41 PM
7	I think the pergola is a great location	1/30/2021 10:10 AM
8	Pergola area once clear of dock and boats and natural transition welcome to town	1/30/2021 8:31 AM
9	Leave the town dock area alone. Whats next, removing the Nelson Construction tug and barge because they are not aesthetically compatible with a sculpture? Nothing wrong with the town dock area as is.	1/28/2021 7:49 PM
10	Pergola would be a good site but not for either of these pieces. Scale of the work to be placed there is important.	1/28/2021 9:33 AM
11	Pergola Area	1/26/2021 10:00 PM
12	The Pergola location is my favorite, as it and the pergola are the center of the traffic circle Entry or Departure to/from the Island.	1/26/2021 3:16 PM
13	there is too much congestion in those locations now.	1/25/2021 4:00 PM
14	Both stupid, town dock is too congested already, now you want to add more people? Need someone with people/pattern flow sense	1/22/2021 12:26 PM
15	pergola - a bit more protected from the elements and people can take more time to view and read about the sculpture	1/21/2021 7:37 PM
16	What about access to the sitting area and public drinking fountain?	1/12/2021 9:23 PM
17	not sure where this is	1/7/2021 11:43 AM
18	too congested	1/7/2021 10:59 AM
19	too constricted	1/5/2021 11:56 AM
20	These areas are way too congested in the summer, don't create a reason for more people to congregate in this area	1/5/2021 9:27 AM
21	i think more people will see the crane sculpture by the pergola	1/4/2021 1:47 PM
22	Both are in busy locations so do not think they are good locations	12/31/2020 10:59 AM
23	STUPID! Idiotic to have people on that part of the dock. Liability issue. Can't believe ferry is ok with that.	12/31/2020 9:29 AM

24	Pergola seems most appropriate as visitors there stand on land	12/31/2020 9:29 AM
25	Neither - ferry area is TOO TOO congested already!	12/31/2020 9:24 AM
26	Pergola area is already too congested. Do you really want people milling around at the end of the dock? Dock is too congested already.	12/31/2020 9:13 AM
27	I think both of those areas are already way too crowded with tourists, no need to distract them more.	12/31/2020 8:50 AM
28	No to pergola. The pergola has a serene balance to entering the island	12/30/2020 6:37 PM
29	annoying. i prefer looking at the big fat ferry ropes and better looking benches - the pergola does NOT need decoration! It IS our best feature on main street - it's all we need	12/23/2020 11:01 PM
30	would make these areas more congested	12/21/2020 11:53 AM
31	Although it is a bottle neck I prefer the pergola.	12/8/2020 6:04 PM
32	Pergola. The Dock is too busy with vehicular traffic.	12/7/2020 3:50 PM
33	A would probably be bad placement for traffic flow... Pedestrians walking in front of ferry traffic	12/6/2020 8:45 PM
34	Much better at the end of the dock! Seating is a big plus. Ferry passengers will see it out there upon their arrival. This location will allow more people to stop and really look at it. Otherwise, way too much congestion at the pergola.	12/5/2020 5:08 PM
35	The Pergola seems like it would gather the most views and attention of people entering the Town of La Pointe	12/4/2020 7:38 PM
36	Both sound good but it seems like an excellent welcome to the island so I'd say the ferry dock	12/4/2020 7:04 AM
37	People would see the sculpture from the dock... it is a bit off to the left if you drive off the ferry, and so many turn right from there.	12/3/2020 3:11 PM
38	b	12/3/2020 8:39 AM
39	The pergola area will be passed by all visitors. The arm of the dock is out of the way for passengers.	12/2/2020 9:00 PM
40	I like the rock better	12/2/2020 7:01 PM
41	It looks nice where it is.	12/2/2020 6:08 PM
42	Near the ferry dock as a welcome to the island.	12/2/2020 5:29 PM
43	Placing the sculpture on the dock would be great. The idea of a pocket park will require that some work be done to make the area around the piece comfortable	12/2/2020 2:56 PM
44	Right where it's shown--entry to the island by the pavilion so a person can sit and ponder its beauty.	12/2/2020 2:32 PM
45	Not a fan of either spot. Arm of dock: too much stuff going on on end of dock already (freight from boats, cars picking up said freight, semi's coming off boats, barge unloading, dump trks up and down dock) and there will now be a shelter too. People will pull off boat and park at end of dock to look at sculpture causing more traffic. Pergola: again, too much traffic in this area already - cars getting on and off boats, post office traffic, as well as pedestrian traffic - people will stop to observe sculpture./take pictures and block vehicle traffic to do so - they do it now just walking to and from the boats.	12/2/2020 12:51 PM
46	I think wherever Lisa's contribution is placed will be a beautiful asset that adds without in any way detracting. It's a history lesson formed on timeless beauty.	12/1/2020 7:14 PM
47	Both are very fine location	12/1/2020 6:50 PM
48	A	12/1/2020 6:16 PM
49	Pergola area welcomes us all to the Island.	12/1/2020 6:18 AM
50	The pergola area is crowded already. The dock location would be inviting people into traffic. YI	11/30/2020 8:06 PM
51	Pergola area looks better. Do not want to lose the fountain though	11/30/2020 7:42 PM

52	The arm of the dock	11/30/2020 6:59 PM
53	Well the dock is nice but will the elements damage it? The pergola is ok but seems cramped in with existing structure.	11/29/2020 9:11 PM
54	Dock seems be better. Both seem odd placed on top of water fountain	11/29/2020 6:33 PM
55	Why would you pay so much for something you will only ever drive by? Is it just beacon for commerce? I feel like a better place could be found for the community.	11/29/2020 11:21 AM
56	I prefer it's placement in the pergola area.	11/28/2020 10:09 AM
57	Both areas are too crowded. Not appropriate.	11/28/2020 7:24 AM
58	Dock. Like that it's closer to water. Too big for pergola.	11/27/2020 6:10 PM
59	The dock area is a pretty congested area, could be a problem	11/27/2020 2:04 PM
60	If the sculptures are to be a welcoming sign, you almost have to place it as a first impression.	11/26/2020 11:51 PM
61	Pergola would be my preference- it would get lost at the end of the dock.	11/26/2020 9:05 AM
62	Not the pergola!!!	11/25/2020 7:35 PM
63	The ferry dock is good to welcome visitors as long as there is still room to turn around if there are blue bin pick-ups	11/25/2020 5:24 PM
64	I like being able to see the lake from some perspective. So I like the dock better than the pergola. But the dock may not be as visible for motorists entering.	11/25/2020 1:39 PM
65	Pocket park	11/25/2020 12:25 PM
66	OK locations	11/25/2020 12:09 PM
67	Don't put anything in pergola area. This is already a lovely spot with history of its own and should not be overshadowed by any structure. Also creates a hazard by obstructing view or traffic and pedestrians in this very busy area.	11/25/2020 11:57 AM
68	neither	11/24/2020 2:40 PM
69	I like the pergola area. if there is going to be no water fountain, then that spot is a natural	11/24/2020 5:30 AM
70	I think the arm of the ferry dock would cause more pedestrian traffic in front of the loading docks which can already be a problem in the summer. Not sure that is a place people should be congregating. I think a large piece of art in front of the pergola would take away from it's simple beauty and be a distraction for people driving onto the island.	11/23/2020 3:27 PM
71	pergola location provides a nice welcome that all will see	11/23/2020 10:22 AM
72	Pergola area	11/23/2020 10:12 AM
73	I would support BOTH sites.	11/23/2020 10:03 AM
74	Pergola	11/23/2020 9:37 AM
75	Ferry dock. No benches.	11/23/2020 5:05 AM
76	none. sculpture not needed to welcome tourists.	11/23/2020 12:42 AM
77	Arm of the dock. The gazebo will always be the welcome spot. I think we add not clump	11/22/2020 11:37 PM
78	not in front of the pergola	11/22/2020 11:35 PM
79	Ferry dock, first visual. Gets lost in pergola area	11/22/2020 9:00 PM
80	Blue bin area needs art piece	11/22/2020 8:50 PM
81	Dock.	11/22/2020 7:57 PM
82	Pergola would be better, but that's where the town puts it's Christmas tree.	11/22/2020 7:47 PM
83	Pergola for sure	11/22/2020 6:10 PM
84	Not in traffic	11/22/2020 6:05 PM

85	Prefer by gazebo looks unanchored and floating by ferry dock	11/22/2020 5:55 PM
86	I think having it at the end of the dock would be stunning	11/22/2020 5:24 PM
87	Ferry dock would be an ideal location.	11/22/2020 5:23 PM
88	It looks more appropriate and natural in the pergola area.	11/22/2020 3:20 PM
89	I'm not sure where the ferry dock expansion shelter is supposed to be, but the ferry dock is difficult for tourists to navigate and adding another place to congregate seems like a bad idea. The pergola is a nice focal point that is already established.	11/22/2020 3:01 PM
90	Pergola seems a better location, weather wise.	11/22/2020 2:50 PM
91	Support installing on on the ferry dock in a pocket park setting.	11/20/2020 8:59 AM
92	I think I'd prefer the pergola area. I've got complicated feelings about obstructing the view but I could get over them.	11/19/2020 10:25 PM
93	I like both. again, a water feature would be fun but also a lot of work and upkeep	11/19/2020 3:50 PM

Q6 What other locations should be considered?

1	Park downtown by blue building	2/17/2021 7:42 PM
2	Near the ferry dock is best but not on it	2/16/2021 10:47 AM
3	Pocket park by the Blue Building, Town Hall or Library	2/4/2021 5:11 PM
4	Just in front of the Dockside where the willow tree use to be ee.	1/30/2021 4:41 PM
5	None	1/30/2021 10:10 AM
6	Perhaps Memorial Park (Joni's Beach) but is it necessary to make the Island a better place?	1/28/2021 7:49 PM
7	What's available?	1/28/2021 9:33 AM
8	Myers park	1/26/2021 10:00 PM
9	None at this time.	1/26/2021 3:16 PM
10	maybe the outer breakwall where you can see it coming in on the ferry but doesn't distract drivers	1/25/2021 4:00 PM
11	All town locations are too busy and congested as it is. What is the purpose of this project? to have people gather in one area? to bring art to the visitors?	1/22/2021 12:26 PM
12	by the old Indian cemetery, where the chief is buried	1/7/2021 11:43 AM
13	marina area, especially for Lisa's - if the town had a outdoor theater, park setting it would go great there	1/7/2021 10:59 AM
14	Downtown where there is room to enjoy and take pictures	1/5/2021 9:27 AM
15	museum lawn? somewhere public	1/4/2021 1:47 PM
16	Rec Center area, perhaps; maybe Dockside by the lake	12/31/2020 10:59 AM
17	Why such an extreme project? Other ways to welcome people to the island	12/31/2020 9:29 AM
18	Find somewhere that people can gather without being in the way - Rec Center, Joni's Beach?	12/31/2020 9:24 AM

20	Downtown, somewhere you could sit and enjoy away from traffic.	12/31/2020 8:50 AM
21	Town hall or library or marina or breakwater. But not as disembarking ferry	12/30/2020 6:37 PM
22	None. If you survey Bayfield, most of the original town found the seagull sculpture in the harbor out of place and phony.	12/23/2020 11:01 PM
23	Private land	12/21/2020 11:53 AM
24	I can't think of any that would provide a better view.	12/8/2020 6:04 PM

26	Town Hall, or the new ESB	12/2/2020 2:56 PM
27	The dock itself???	12/2/2020 2:32 PM
28	1) Entrance to Joni's Beach 2) Museum grounds across Main St. 3) Pocket park between Lakeview Place blding and old laundromat - add some nice landscaping & benches along with the sculpture to expand this park alittle.	12/2/2020 12:51 PM
29	None	12/1/2020 6:50 PM

30	The piece of land adjacent to Grandpa Tony's. In front (yard space) of the Museum	11/29/2020 9:11 PM
31	Some place people in the community would actually ever sit and enjoy. What about by Grandpa Tony's, or across from Tommy's? Or somewhere on Main Street. Imagine if you wanted to spend the afternoon there with your family with age outliers of two toddlers and an 80 year old. Imagine adding picnic areas, a play to play outdoor chess or volleyball. Possible outdoor vendors and music. A place for life.	11/29/2020 11:21 AM
32	Not needed on Madeline Perhaps the marina or golf course. Bayfield landing in Bayfield.	11/28/2020 7:24 AM

1	I THINK THESE IDEAS ARE BRILLIANT	3/1/2021 1:09 PM
2	Thanks for taking input	2/17/2021 7:42 PM
3	Are these the only 2 art installs being considered? They are ok but with so many creative folks on the island and special history, seems like there should be more than 2 when this much \$\$ is being spent.	2/16/2021 10:47 AM
4	If these are the only two choices there is no comparison. The Adams sculpture is acceptable on its' own, but as public art in this location just does not work.	2/6/2021 10:09 AM
5	Like or not, Artists Wrestle with Steel could produce several pieces in competition and pick a winner.	2/4/2021 5:11 PM
6	We really don't need any such sculpture, it is more of a tourist come-on than an authentic piece of our island history or cultural.	1/30/2021 4:41 PM
7	I love the connection to Madeline's father's name, Chief White Crane	1/30/2021 10:10 AM
8	Cost difference is so striking as is Lisa's sculpture, she is my definite vote	1/30/2021 8:31 AM
9	We should be putting time and energy into making the Island a place working families can afford to live.	1/28/2021 7:49 PM
10	Let's get something that relates to the Island and the community that lives or lived here.	1/28/2021 9:33 AM
11	None	1/26/2021 10:00 PM
12	I support Public Art, and thank you for the opportunity to add my input.	1/26/2021 3:16 PM
13	i find it kind of hard to believe these artists would design these pieces for these locations	1/25/2021 4:00 PM
14	I think the Town's time could be better spent. Leave art projects to the art organizations and stick to government business.	1/22/2021 12:26 PM
15	It would be nice to have water around the base of the sculpture	1/21/2021 7:37 PM
16	Will there still be a spot to fill water bottles on the island? Access to free drinkable water is important.	1/12/2021 9:23 PM
17	Gateway to Madeline Island suggests it needs to be close to the water	1/7/2021 10:59 AM
18	Instead of one large piece, many areas could benefit from smaller art projects	1/5/2021 9:27 AM
19	None	12/31/2020 10:59 AM
20	sorry, I think this is a stupid idea. Who is doing this art project- the town or the lapointe center? very confusing. And if the town, doesn't it have better things to do, more important items?	12/31/2020 9:29 AM
21	none	12/31/2020 9:29 AM
22	Who is this for - the tourists coming over or the island property owners? So many other things could be done to beautify the island. Joni's beach hasn't been kept up, Rec Center area looks abandoned. Maybe add some sprucing up to those areas first?	12/31/2020 9:24 AM
23	Start smaller projects to beautify the island instead of something large. Shouldn't be tied with the La Pointe Center. Why isn't La Pointe Center doing this instead?	12/31/2020 9:13 AM
24	I fear children would climb on this very expensive art and possible get hurt.	12/31/2020 8:50 AM
25	Neither are awesome. I wouldprefer something that might have sound elements included	12/30/2020 6:37 PM

26	We appreciate public art in great cities, but the Island does not need it. One reason is that downtown La Pointe is pretty scruffy looking, and it appears that the sculpture is an attempt to distract from that. What the Island offers is natural beauty: Work it - set some standards for better appearance on Middle Road: make a plan for an organic face-lift and let the natural surroundings be our art -- the beauty that our eyes love to take in. Spend the money on more trees near the ferry - more natural enhancements - clean up a few scruffy spots in and around town - show some pride in what you already have - clean up messy properties.	12/23/2020 11:01 PM
27	the island does not need this	12/21/2020 11:53 AM
28	Greta idea, shows art and history are important on Madeline Island.	12/8/2020 6:04 PM
29	I don't like either	12/6/2020 8:45 PM
30	I like the idea for a sculpture to introduce tourists to the town.	12/4/2020 7:38 PM
31	Absolutely beautiful! Reflects what I love and treasure about the island	12/4/2020 7:04 AM
32	Appreciate the opportunity to comment!	12/3/2020 3:11 PM
33	It's nice in the pictured location, but having it near water would be great.	12/3/2020 9:03 AM
34	The pergola is a great spot if it doesn;t create a pedestrian safety issue.	12/2/2020 9:00 PM
35	This is a great project!	12/2/2020 2:56 PM
36	Please put this somewhere. It says Madeline Island and is created by a daughter of the island. Her heritage goes back on the Perrin Ojibwe side and the Cadotte side. Madeline married a Cadotte. Lisa is a reknowned wildlife artist, has her illustrations in a children's book at the museum, and is rooted there. Perfect tribute to the island's heritage.	12/2/2020 2:32 PM
37	This design lens to the unecnes of the island truly stunning.	12/1/2020 6:50 PM
38	That would be a tourist stop and a HUGE photo op as many other angel type wings are in other tourist spots	12/1/2020 6:16 PM
39	I like the visual interpretation of Chief White CraneIt would lead visitors to learn some of the History of the Island.	11/30/2020 8:06 PM
40	If possible please provide a brief overview from the artist. Always like to understand the interpretation from the artist standpoint.	11/29/2020 9:11 PM
41	I think public art should be somewhere the public can appreciate it. A place a toddler can play. A place an island elder can reach to interact with other generations of the community. We need communal spaces to be together.	11/29/2020 11:21 AM
42	I don't care for either sculpture as they do not reflect the history or essence of Madeline Island.	11/28/2020 7:24 AM
43	I wish a local could come up with something nice but be put on a timeline so it doesn't take years to get it done. No payments until finished.	11/27/2020 2:04 PM
44	Change the word Gateway.	11/26/2020 11:51 PM
45	I feel very strongly that the art from Bob Adams is NOT representative of a welcome to the island. It is a piece of art that does not provide any sense of connection	11/26/2020 9:05 AM
46	Is this even necessary???	11/25/2020 7:35 PM
47	Can the sculpture have a stand that blends better with the environment? Or maybe the one shown is just a placeholder.	11/25/2020 1:39 PM
48	It will be a nice addition to the ferry dock area.	11/25/2020 12:25 PM
49	Who are the artists? When did they submit? What about locals?	11/25/2020 12:09 PM
50	the town of la pointe is looking to cut budgets, this is a luxury that we can not afford at this time. health and safety should always come before a want. asking health and safety to cut budgets and pay for this is irresponsible government	11/24/2020 2:40 PM
51	Thank you for inviting comment from the community	11/24/2020 5:30 AM
52	I can't see why the Town would want to take on the cost to insure/maintain and potential	11/23/2020 3:27 PM

liability (with someone getting hurt climbing on) that would come with this. Perhaps beautifying existing areas like the Rec Center, Joni's Beach or the area around the portable toilets on Main Street ??

53	It feels important to have the welcoming sculpture of the island be designed by a woman, and an indigenous person. If this is a place that welcomes all people, let who we choose for our welcoming artist reflect that.	11/23/2020 10:12 AM
54	This is a wonderful project and the "crane" sculpture should be supported for MANY reasons!	11/23/2020 10:03 AM
55	use the money to donate sitting benches	11/23/2020 12:42 AM
56	I love the idea, but I want it to feel like it's of the island. Natural and flowing from her and the people.	11/22/2020 11:37 PM
57	I would put out another call for artwork	11/22/2020 9:00 PM
58	I think it is worth merit to put value to the fact this artist is local, First Nation and woman	11/22/2020 6:10 PM
59	I love the cranes as they reflect the majesty of the island and it's wildlife	11/22/2020 5:24 PM
60	Go back to the drawing board	11/19/2020 6:46 PM
