RENTAL PERMITS

55 Rental by Owners	\$ 6,875.00 (2 others outstanding)
38 Madeline Island Vacation	4,750.00
37 The Inn on Madeline Island	4,625.00
TOTAL	\$16,250.00

In tracking County revenue noted above, this includes new and updated sanitation, Shoreland fill and grading (rip/rap) for shore erosion and other zoning related to County jurisdiction. Most County permits are directly related to rip rap. The County has also required the Town to renew the permit for the AT&T Tower located at the MIRF. While we extended our permit through the Town AT&T was required to submit an additional fee of 3,000.00 to the County. The permit is issued by the Town and the County to the Town of La Pointe as the project is on Town property. This has also stood the test of a Conditional Use Permit as required by ordinance. All fees related to these permits are paid for by AT&T.

Mr. Hartzell is continuing to explore the development of the “Expandable Condominium”. The ZA will be consult with the Town’s Attorney in relation to this development.

Mr. Hartzell has made application for a Conditional Use Permit for a “Spa” located on the east of Mondamin Trail. A CUP was granted to the property for a spa in 2007, however, the TPC ruled it as being expired per related ordinance. The ZA has reviewed the original permit and forwarded the content to Mr. Hartzell. The current application lacks specifics and Mr. Hartzell has agreed to elaborate his plan prior to full submission.

Daniel and Deena Schuppe’s land is presently for sale. There is a Conditional Use attached to the owners of the property for a sawmill which was granted in 2004. The conditions outlined in the permit shows it expires at the sale of this property. I have sent notice to the owners outlining the terms of the conditional use.
