The Town Plan Commission along with the Town Administrator are planning public forum (as indicated in the latest Gazette) on the issues related to the “Junk Survey”. There are three sessions scheduled during this month and will be posted and encouraging public input.

Mr. Hartzell has not submitted further plans related to applying for a Conditional Use Permit related to the “Spa” as addressed in the last ZA report. There is no new information related to the “Expandable Condominium” however, the ZA and TA had a brief consult with our Town’s Attorney. We have asked him to consult with Mr. Hartzell’s Attorney (John Carlson) identifying particulars related to the Condo Association.

The TPC is identifying certain areas in Zoning which may need further clarity including recent drafted definitions (previously distributed). This will result in draft changes to Zoning text, be presented in Public Hearing than forwarded to the Town Board and County for final approvals.

Respectfully submitted by Ric Gillman, ZA on 8/4/21
