1. Call to Order/Roll Call

The Public Arts Committee meeting was called to order by Susan Sabre, Chair at 9:10 am.

2. Gateway sculpture – pavers discussion

We discussed the paver suggestions and decided a decision was premature for these reasons...

- The base needs to be finished and medallions installed.
- The sculpture needs to be formally transferred to the Town.
- It would be helpful in choosing a paver, to observe the use and maintenance issues of the sculpture area for some time.
- And to also involve Ben Schram in the choice as his crew will be maintaining the area.

We also spoke about putting up a sign for safety reasons stating, 'do not climb on the sculpture'. A short discussion about was it ok to be up on the base and keep off of the steel or stay away from the whole thing?

3. Recommendations to Town Board

None

4. Adjourn

Meeting adjourned at 9:23 am.
