#### **4.3 SIGNS**

Signs identifying or advertising the property must meet the requirements of Section 5.0 of the La Pointe Zoning Ordinance.

### **SECTION 5: ADMINISTRATION**

#### **5.1 ENFORCEMENT**

1. The Zoning Administrator or a designated agent shall have the power and authority to enforce all provisions of this Ordinance on behalf of the Town.
2. The Zoning Administrator or a designated agent shall have the power and authority on behalf of the Town to issue Orders charging any person with violating any provision of this Ordinance which he or she reasonably believes such person to have violated.
3. In any case where a provision of this Section or of any regulation adopted pursuant thereto is found to be in conflict with a provision of any building, fire, safety, or health code or ordinance, the provision that established the higher standard for the promotion of health and safety of the public shall prevail.
4. Any person, firm or corporation who violates or refuses to comply with any provision of this Section may be found in violation of this Ordinance. All clauses in rental agreements contrary to the expressed provisions of this Section and any Permit issued to the property are prohibited and will be interpreted as a violation of the Permit and of this Section of the La Pointe Ordinance to Regulate Rental Properties.

#### **5.2 WRITTEN ORDERS**

1. The Zoning Administrator or a designated agent shall have the power and authority on behalf of the Town to issue a Written Order to any person, requiring such person to do an act or to cease from doing an act so as to comply with this Ordinance.
2. A person, upon receipt of such a lawful Written Order, shall comply with such

Written Order as soon as is reasonably possible under the circumstances then existing. It shall be rebuttably presumed that such Written Order can be complied with immediately.

3. A person who upon receipt of such a lawful Written Order fails to comply with the same as soon as is reasonably possible under the circumstances existing, shall be guilty of violating this Section of this Ordinance. The violation of such a lawful Written Order in and of itself shall constitute a separate violation of this Ordinance and the violation is subject to the penalty set out in Section 5.5 of this Ordinance, whether or not such person is convicted of any other violation of this Ordinance. In the event such a Written Order was mailed, such Order shall be arguably presumed to have been received by the person to whom it was addressed upon evidence being presented that the same was mailed by certified mail via the U.S. Postal Service.

### 5.3 COMPLAINTS

1. Any person who reasonably believes that a person or entity owning, using or occupying real property in the Town is, by act or omission, violating a Permit, or lacks a required Permit, or is presenting a life/safety issue, may file a written complaint with the Zoning Administrator. Such written complaint shall set forth the name, address and telephone number of the complainant, the name and address of the property being complained about, dates and times of alleged incidents, and a detailed statement on the grounds and basis for such a complaint. Such complaint shall be signed by the complainant.
2. The Zoning Administrator shall evaluate all written complaints received, shall conduct a preliminary evaluation of complaints, and may do any of the following:
  - A. Close the matter if it does not present sufficient information of cause to proceed.
  - B. Attempt to reconcile the matter between the complainant and the property owner, user, or occupier.
  - C. Forward the matter to the Town Plan Commission or Town Board for Ordinance interpretation.
  - D. Forward the matter to another agency.
  - E. Further investigate any complaint that presents significant information to support an allegation of possible violation of this Ordinance and, upon completion of an investigation:
    - 1) Dismiss the complaint for lack of sufficient cause to proceed.
    - 2) Divert the matter to another agency.
    - 3) Require an inspection of the rental property, subject to the following conditions:
      - a. Prior to any inspection under this Section, the Zoning Administrator must provide reasonable notice under the circumstances to the property owner/manager/agent, seeking access for a voluntary inspection of the premises. If the owner/manager/agent is not reachable or does not consent to a voluntary inspection, the Zoning Administrator may proceed with the inspection only after obtaining a

special inspection warrant pursuant to Wis. Stats. § 66.0119. By obtaining a rental permit from the Town, property owners agree that the Town's receipt of a verified complaint under this Section shall be sufficient grounds for requesting a special inspection warrant.

- b. Upon receiving the results of the inspection, the Zoning Administrator or designated town agent may suspend a rental permit for said properties until the conditions cited inspectors are brought into compliance.
  - c. If inspectors recommend denial/revocation of the rental permit, the Zoning Administrator shall notify the owner of the rental property by certified mail within five (5) days of receipt of the recommendation, including the basis for such decision.
- 4) With the approval of the Town Plan Commission:
- a. Issue a Stop-Work Order, Cease-and-Desist Order, or Order of Correction
  - b. Revoke the Rental Permit.
  - c. Issue one or more citations for apparent violations or, with the assistance of the Town's attorney, cause such violation to be prosecuted.
  - d. Pursue such court action as is appropriate (e.g., seeking injunction, restraining order, or restitution).
3. Any person aggrieved by a decision of the Zoning Administrator or the Town Plan Commission regarding this Ordinance may seek review in accord with Ch. 68 of the Wisconsin statutes (or its successor statute in the event of renumbering).
4. Nothing in this Section shall be construed as preventing the Zoning Administrator from pursuing enforcement of this Ordinance regardless of the manner in which the Town learned of an alleged violation of this ordinance.

#### **5.4 VIOLATION**

1. Rental permits may be revoked for the following reasons:
  - A. Violation of this Ordinance or of terms of the rental permit and failure to abate the violation within the timetable established in this Ordinance, by the designated Town agent, or by the Town Plan Commission.
  - B. Three (3) or more legitimate calls initiated by non-renters for zoning, police, fire, or health department services for nuisance activities or other incidents within a twelve (12) month period.
2. Any person found to have violated any provision of this Ordinance shall, upon conviction, be subject to a forfeiture of up to five hundred dollars (\$500) plus court costs plus any applicable fees and assessments. Each day a violation exists or continues shall constitute a separate offense. In addition to such forfeiture, a violator may also be required to reimburse the Town for the costs of prosecution, including reasonable attorney fees.

#### **5.5 NUISANCE**

1. A violation of any provision of this Ordinance shall constitute a nuisance that the

violator shall be required to abate. Injunctive relief may be ordered to terminate or prevent a violation of any provision of this Ordinance. There shall be an arguable presumption that any violation of this Ordinance causes irreparable harm to the public. A violator of any provision of this Ordinance may be required to pay for restitution performed by another party.

2. Existing Boarding and Rooming houses operating at the time of amendment to this Ordinance may continue. However, to further the purpose of this Section, any Boarding or Rooming house not in compliance with the following provisions shall constitute a nuisance and will not be permitted to continue:
  - A. Within six (6) months of amendment to this Ordinance, the owner must prove the legality of the nonconforming use by the greater weight of credible evidence. The original nonconforming use shall not in its lifetime have been added to, expanded, changed, or discontinued for a period of twelve (12) months.
  - B. The Boarding or Rooming House and its premises shall comply with any inspection and permitting requirements contained in this Ordinance.

## **5.6 EFFECTIVE DATE**

1. This Ordinance is effective on publication or posting.
2. The Town Clerk shall properly post or publish this Ordinance, as required under § 60.80, Wis. Stats.

## **5.7 SEVERABILITY**

1. If any provision of this Ordinance is held invalid or unconstitutional by any court of competent jurisdiction, such a decision shall not affect the validity of any other provision of this Ordinance. It is hereby declared to be the intention of the Town of La Pointe that all provisions of this Ordinance are separable.
  2. This Ordinance shall not invalidate or interfere with any lawful private or other lawful public covenant or restriction on property which prohibits or restricts to a greater extent the uses described and licensed herein.
