

Town Board Meeting Memo

From: Max Imholte, TA

Date: January 13, 2026

Re: Agenda Items

III. Public Works

- A. Roads: **Approve** Purchase Orders for diagnostic scanner and plasma cutter for the shop.
- B. Parks: **Discuss** Julie Hedges' idea to start a kayak rental business at BBTP. Julie is currently a Town employee.
- C. Airport: Approve new lease for airport hangar #16.

IV. Committees:

- A. Planning and Zoning: **Approve** Resolution #2026-0113. This resolution is required in order to apply for a grant that would enable the Town to buy radios compliant with WISCOM statewide emergency services communication system.
- B. MI Childcare Task Force- Sam Dobson to update.

V. Town Hall Administration:

- C. **Approve** YWS Technology Contract. This is for our IT services.
- D. **Approve** raising the Flexible Savings Account deduction amount from \$2600 to the new IRS maximum of \$3400 per employee per year.
- H. **Discuss** BBTP Accessibility Design Task Force objectives and structure.

VIII. Emergency Services:

- A. Fire Department: **Approve** purchase order for ice rescue equipment.

TOWN ADMINSTRATOR REPORT

Jan.13, 2026

- We will be kicking off the new year with a department head meeting on the 15th of December.
- The transfer of the Rieman property to the Wilderness Preserve is now complete.
- I have taken two continuing education classes related to employment law; one was on general employment law updates and one was on employee benefits. The benefits session was not very applicable to a new Personnel Policy but the employment law update was.
- The Memorandum of Understanding covering the cooperation between Windsled Inc. and our Ice Rescue team is complete and up for approval by the Town Board. The Winter Transportation Agreement detailing the agreement between Windsled Transportation Inc and the Town of La Pointe still needs some edits but will be ready for Town Board approval by next meeting.
- Plans are being discussed for an on-Island temporary classroom that school children can use while the La Pointe school undergoes renovation. The Town Board will discuss this at the meeting on the 13th of January. The tentative schedule is to have a temporary space available from April through early June with a contingency for September.
- We are also making plans to move the Law Enforcement office from its current location at Town Hall. We are looking for a suitable site.

December 2025

Public Works Report

Happy holidays from the Public Works Department!! With 2025 in the books, we are looking forward to completing a few largescale projects in the new year. To name a few, we have a couple of large culvert replacements coming up in 2026 on North Shore Rd, more ditching on North Shore, and I am seeking funding to repave Mondamin Trail, but that is never a guarantee.

The micro grid at the Emergency Services Building is underway. Jolma Electric has installed footings and supports and are working on the framework for the panels. This is a multi-stage project and will extend well into 2026.

The Town has received a \$1.5 million dollar grant to engineer and build an ADA compliant stair/ramp system and bridge for access to the beach and board walk. This project is still in the planning phase and most likely will not break ground until 2027. This will be a very large project and will disrupt access to the beach, so The Public works Department will be looking at ways to provide temporary access to beach while the project is underway.

The Roads Crew has been flooding the skating rink with the use of Fire Department tankers at the Rec Center while conditions are right for making ice, but much like last year, the weather is being uncooperative. I would love to get Friday night broomball going again!!

The Public Works new hire, Trevor Krueger, has gained his temporary CDL learners permit and is studying to get his full-fledged Commercial Driver's License in the coming months. He is also getting trained on our heavy equipment for snow removal.

We have had quite a few snow events this month and one ice storm. As of right now we have used approximately half of our 150 yards of salt sand.

We have put up barricades at both entrances to the Greenwood Cemetery. This road is extremely narrow, and headstones are right off the edge of the road and can be easily damaged. This driveway will be closed until spring.

RECEIVED
JAN 7 2026

Initial: dg

Roads

- Plowed 8 times.
- Spread approx. 40 yards of salt sand on parking lots, the dock, Town roads and County H.
- Cleaned up 15 plus downed trees on Town roads.
- Several days of clearing tree limbs from Town Road right of way.
- Moved snow piles at town lots and intersections 3 times.
- Installed reflective markers on Sunny Slope Rd. along the very deep ditch leading to the parking lot. This area underwent some serious construction during the power line boring project and overhead power line installation and will need to be reshaped in the spring/summer.

County H

- Cleaned up several downed trees.
- We salt sand corners and intersections every time we plow and as conditions require it.

Dock/Harbor

- Removed ice from outer wells 3 times.
- Assisted in installing bubblers.
- Removed snow piles several times.
- Resolved passenger shelter heating issue.
- We salt sand the dock regularly and as conditions require it.

Facilities

- General maintenance at BBTP office and bathrooms.
- General maintenance at the ESB.
- General maintenance at Town Hall.
- Repaired the fence around the propane tanks at the Clinic.
- Dug a new trench for the fiberoptic cable that was damaged between the ESB and the winter transportation building. We dint hit it.....
- Replaced several GFI outlets in our shop.

Equipment

We perform general maintenance and inspections to our snow removal equipment before and after each snow event such as greasing, fluid level checks, tire pressure checks etc.

The Public Works Department has taken on the responsibility of maintaining and servicing the two ambulances for the La Ponite EMS. Matt has a very thorough job making sure these pieces of apparatus are in tip top shape. We will be inspecting these vehicles least twice a year and as needed in between.

- Repaired 4 strobe light modules on our 2005 Ford Sterling dump truck. This was an electrical nightmare that needed to be retrofitted due to no availability of parts.
- Replaced all brake components on the Police department's pickup truck and serviced the engine.
- Repaired 1 chain saw with a no start issue, and one with a leaking bar oil reservoir.
- Trouble shot wiring and replaced blower motor for heat in our 2004 Chevy 2500.

Respectfully submitted by,

Pete Wiggins, Public Works Director.

December 2025 MRF Report

Another year has been completed. With this report we will wrap up 2025 and move into 2026. Overall, it has been a good year at the MRF. Michael and Woodstock did a wonderful job hauling around the 700 tons of material off the island. We also had a successful clean sweep back in July, replaced our worn-out trash compactor with a new one, came close to our revenue number while remaining under budget on most line items. Moving into 2026 we are looking to keep things clean and organized, keep materials moving out of our facility, and upgrade to a newer hook-lift truck with the funds the Town Board has set aside for us.

December was a slower than average month. We have now settled into winter, and we will continue to see low numbers until we get nicer weather and our part time residents and tourists return. For the month of December, we hauled about 54.87 tons of materials off the island. This consisted of three loads of demolition at 27.58 tons, a load of single stream paper and plastic at 4.42 tons, a load of solid waste at 9.93 tons, a load of scrap cars at 12.19 tons, and a pickup truck load to meet up with COMO lube to dispose of barrels of antifreeze, mix fuel, oil absorbent, and oil filters.

Bailing numbers were low for the month. For the month of December, we made three bales of cardboard totaling 3172 and one bale of aluminum cans totaling 566 pounds.

During the month of December you may have seen a lot of new faces at the MRF. Trevor has started covering most MRF days over the past month. By having Trevor cover MRF, I have been able to assist public works with various projects, and Trevor has been able to study for getting his CDL. Trevor successfully passed his written tests and now will train with the crew over the next couple of months for the driving test. We hope to have him make a couple trips with Michael in Woodstock, or the new truck when we find the right one, so he can get some mainland driving time. Good job Trevor!

Starting at the beginning of the month, we started closing on Mondays from December 1st to April 1st. By doing this, it has helped Public Works and the MRF. We have been experiencing a handful of snow events starting out this winter, so being closed on Mondays allows us to spend extra time and have the full Public Works crew clearing snow from the roads and parking lots. We have also been able to catch up on much needed maintenance on the glass crusher. Over the past year we have had an issue with the glass crusher conveyor belt jamming. In December we looked into the cause of this and found that 1/3rd of the bottom roller had rusted away. The job of replacing the roller was not as simple as ordering parts since the company that built the conveyor was out of business. Since the conveyor handles glass, the roller is built with a 1" rod and 8 chunks of angle iron welded to it to make a circle. It's built this way so that glass fragments can make their way through the cracks and out of the roller, rather than getting stuck between the roller and conveyor belt, causing damage to the belt. We ordered some steel from Chicago Iron and built a new roller, in the town shop, to the specs of the old roller. We also installed new

RECEIVED
JAN 8 2026

Initial: dg

bearings and a new conveyor belt. The belt needed to get replaced since it was worn out and starting to come apart, and the only way to replace the roller was to cut the belt. Now the glass crusher is working like new and will hopefully last several years before it needs more work. Thank you to Matt, Trevor, Ray and Michael for helping with this difficult project.

We continue to work on disposing of the scrap cars that we have in stock. Over the past month we were able to get another load of cars processed and hauled to Chicago Iron. Between the cold snap we had and snow plowing, we have not been able to get any more cars processed for the month of December. We will continue to pick away at the vehicles over the winter/spring.

Thank you all for a fantastic year and hope that 2026 treats us all well. We will see you all on the next dump run!

Respectfully Submitted,

Evan R Erickson

12/25 NOTAM

Planning & Zoning Administrator Town of La Pointe, Wisconsin December 2025 Report

The month of December continued to be a busy month. Described in more detail below, but in short, I was able to accomplish the following:

- Successfully completed 1st Annual Zoning Lessons Learned Open House on December 10th. The Town's Building Inspector and Ashland County Zoning Representative were both in attendance, participated, and answered questions.
- Continued an in-depth review of the Public Comments received on the Zoning Ordinance Re-Write and completed an updated/revised DRAFT Zoning Ordinance document. The DRAFT document was shared with TPC for review on December 30th and will be discussed at the January 7th, 2026 Regular TPC Monthly Meeting.
- Completed an in-depth review of permitting activities by month and by project type for all of 2024 and 2025. Some interesting trends emerged.
- Conducted 2 site visits in support of permit requests; issued 7 land use permits during the month, and prepared 4 data packages for TPC discussion at the December Regular TPC meeting.
- Started Identification & Preparation of Grant applications for the Town of La Pointe to pursue. Worked with the Airport Manager, Emergency Services, Police and Fire Department on two grant applications that are due in Mid-January. One grant application (the FAA ATP application for a replacement Terminal) was submitted during December.

Lessons Learned Open House with Stakeholders – December 10th

- During December, I conducted the Town's 1st Annual Lesson's Learned Open House with Stakeholders. Our Town Building Inspector and a representative from Ashland County participated in person on the Island. We identified, and included on the Agenda, items that we talked about with the contractors; things that we saw during 2025 where friendly reminders and the sharing of information would help the overall process. Equally important is the Contractors had an opportunity to let the Town and County know about areas where they think that the process could be improved. The goal of this meeting was to allow us to deliver a better experience in 2026 and beyond. Public meeting notifications were posted around town and invitations were emailed to approximately 48 potential attendees (from both Island contractors and Mainland contractors) well in advance with a reminder email sent a few days before the event. While in person and online attendance was low, it was live streamed on YouTube and the recording of the event is available online. As of December 30th, there have been 39 views indicating that some have watched it after the meeting.

Zoning Ordinance Re-Write

- During December, the Town Plan Commission Working Group continued an in-depth review of all of the Public Comments received. The TPC Working Group continued to meet two times per week to review and address the comments received focusing on the larger issues identified during the Question & Answer sessions. During December, further discussion continued on the proposed boundaries of the mixed-use areas and identifying the ultimate number of camper type units that can be on each property; two major categories of public input on the Draft Zoning Ordinance Re-Write. These issues, along with other issues were worked and a complete updated DRAFT document was completed and distributed to the TPC Members on December 30th. The revised DRAFT Zoning Ordinance (with public comments addressed) is on the Agenda to be discussed at the next TPC Meeting on January 7th.

Permitting Activities (2024 versus 2025)

Going forward, these types of summaries will be presented monthly. During December I took a deep dive into the types of permits (and fees associated with the permits) for calendar years 2024 and 2025.

Attached you will find summary information starting at the highest level going down to very detailed information for both the Town of La Pointe and Ashland County. The following information is provided:

- Table 1 – Month by Month (Permits & Fees Collected) Comparison for the Town of La Pointe & Ashland County
- Table 2 – Overall Project Type (Permits Issued) Comparison for the Town of La Pointe and Ashland County
- Tables 3 & 4 – Type of Project and Fees Collected by Month Comparison for the Town of La Pointe.
- Tables 5 & 6 – Type of Project and Fees Collected by Month Comparison for Ashland County.

There were 226 permits issued during the two-year period. Project descriptions were reviewed and grouped into 34 primary topics (further review will take place in 2026 to refine this list). Noteworthy from the two years is that new dwelling construction, new accessory structures and new driveways were significantly down in 2025. This change is probably due, in part, to a combination of many variables including, but not limited to, elevated lumber prices, currently higher loan and mortgage interest rates, and a current shift in the industry of requiring staff back in an office at least part time.

December 2025 Permit Information/Status

DATE	SANITARY PERMIT	COUNTY PERMIT	LAND USE PERMIT	NAME OF PROPERTY OWNER	FIRE #	STREET NAME	Parcel number 014	PROJECT TYPE
11/24/2025		9725	2025-54	Mary Smith		1197 Big Bay Road	00136-0500	Dwelling
11/24/2025			2025-55	William Stoddard		3469 Big Bay Road	00023-0300	Permit Extensions
12/8/2025		NA	2025-52	Brad Nicholas		428 Deer Woods Ln	00191-0107	Permit Extension
12/8/2025		NA	2025-53	Brad Nicholas		428 Deer Woods Ln	00191-0107	Driveway Extension
12/19/2025		9737	NA	Vanessa Martin		1003 Stone Pt. Lane	00158-1200	Fill & Grade
12/19/2025		9738	NA	Troy Hutchinson		1099 South Lake Shore	00290-0500	Fill & Grade
12/19/2025		9739	NA	Edward Hancock		777 Islewood Rd.	00002-0120	Fill & Grade
12/19/2025		9749	NA	Rivel Greenberg		978 Big Bay Rd.	00116-0900	Fill & Grade
12/19/2025		9750	NA	Richard Allendorf		1249 South Shore Rd.	00163-1700	Fill & Grade

During the month of December, seven land use permits were issued and one was extended:

- 1) 320 Big Bay Road (issued on December 1st)
- 2) 3469 Big Bay Road – extension (issued on December 19th)
- 3) 1003 Stone Pointe Lane (issued on December 30th)
- 4) 1099 South Lake Shore Road (issued on December 30th)
- 5) 777 Islewood Road (issued on December 30th)
- 6) 978 Big Bay Road (issued on December 30th)
- 7) 1249 South Shore Road (issued on December 30th)
- 8) 1197 Big Bay Road (issued on December 30th).

Site Visits

Site visits are critical to our understanding of the proposed projects submitted by property owners and help facilitate our review of land use permit applications. These visits also allow me to better understand the property owner's goals and to be able to share information as I see it. Providing on-going good customer service is important to me.

During December, I participated in 2 site visits (listed below):

- December 4th – 320 Big Bay Road (observed concrete pour for solar project)
- December 11th – 1197 Big Bay Road

Grant Opportunities

During the month, I started working with a few Town departments to start identifying, and then start preparing, grant applications that would benefit, if selected, the Town of La Pointe. I have developed a first draft of a tracking tool that will include the name of the grant, the purpose, the amount sought, the Town's match (if selected), the due date and the changes (high, medium, low) of the Town of La Pointe being selected.

Also during the month, I worked with the Airport Manager and the Town of La Pointe submitted a grant application for the very highly competitive Infrastructure Investment and Jobs Act Airport Terminal Program. Our request is for \$1.9M in funding to replace the existing terminal building at the Airport that is beyond its useful life. Due to the competitive nature of this program, the Town's

chances of being selected are low, but does continue to make this project more visible for potential future funding.

Furthermore, I started working with Emergency Medical Services, the Fire Department and Police Department on assembling the materials for submitting a competitive application for advanced communication radios. The application is due on January 15th. While it appears that the funding for this program this year is for other parts of the State, and our chances are low, our submittal this year prepares us for the next round of funding (2027) and shows that the need exists today.

I also met with the Library Director on the last day of the month. She shared with me the types of grants we have traditionally explored and during January I will start researching the specifics and develop a plan going forward.

Finally, I have reached out to the remaining Department Heads and will be meeting with them no later than early to mid-January to attempt to identify all opportunities that currently exist.

Processing Complaints

During October, 5 additional potential zoning complaints were received by the Zoning Office. During December, at the Monthly TPC meeting, I briefed the members with the high-level details of the complaints received and their status. I had one additional meeting and acquired a recent survey that will be used during the review. I continue to research each complaint and will be working with the TPC in the next few weeks attempting to reach a resolution.

Supporting the Short-Term Rental Administrator

The Short-Term Rental Administrator (STRA) and I continue to coordinate on a regular basis. During December, we mailed (certified return receipt on December 4th) a corrective action letter to the property owner regarding the written complaint that we received in August as well as additional new complaints, all regarding events occurring at the same property address. The property owner received the letter on December 11th and called the Zoning Administrator (ZA). The property owner requested copies of the 2024 and 2025 rental permits (which were provided via email on December 18th). The property owner will be contacting the ZA during the first ten days or so in January to schedule a time to meet and review the letter in detail.

During December, one additional property owner entered the short-term rental program bringing our totals to 139 (113 short term and 26 commercial). As the 4th Quarter of 2025 and the calendar year just ended (property owners have until January 31st to pay their Room Accommodation Taxes, we don't have final numbers yet. That being said, we believe that the number of property owners that still owe are less than 10. A summary will be provided for the January update.

Types of Projects were reduced to the above 34 in an attempt to prepare more of an apples to apples comparison
Due to this, some projects could have been in more than one category.

Data is pulled from a master spreadsheet from January 1, 2024 through December 31, 2025.
Types of Projects were reduced to the above 34 in an attempt to prepare more of an apples to apples comparison. Due to this, some projects could have been in more than one category.

Accounting Manager Report December 2025

1/9/2025

1. Completed Items:

- a. 2026 Budget approved by the Town Board.
- b. 2026 Levy Limit approved by the Town at Special Town meeting.

2. Ongoing Items:

- a. Financial Working Group: Cash Flow Analysis working on forecasting cash flow out to 2026-2028.
- b. Kerber Rose Accounting Support: one meeting this month was held to discuss 2026 contract for services with KR.
- c. Train Katie Kisner, Harbor Commission Administrative Officer, on Workhorse.
- d. Baker Tilly Auditors - 2025 Audit Preliminary work

3. Upcoming Items:

- a. 2025 Preliminary Audit with Baker Tilly – end of January
- b. 2025 Audit with Baker Tilly – end of April

Respectfully submitted,

Liz Brown

LA POINTE POLICE DEPARTMENT

MADELINE ISLAND
270 MAIN STREET
LA POINTE, WISCONSIN 54850

(5) TB, TA, A. Clerk, PD, Public
PHONE: (715) 747-6913
FAX: (715) 747-3096
police@townoflapointewi.gov

To: Town Board
From: Thom Rossberger
Date: 1/8/2026
Re: Monthly Police Report for December 2025

During the month of December, the La Pointe Police responded to the following:

- 31 Incidents/Complaints (calls for service)
- 7 Traffic Stops
- 10 Citizen Assists
- 2 Accidents
- 0 Civil Process
- 1 False Alarm/911 hang up calls.
- 0 Call Out
- 6 Animal Calls
- 0 Parking Citations
- 2 EMS Calls

December weather and time of year, most island businesses have shut down for the season. Department activity numbers are down as a result. See above.

Both Ofc Williams and I attended meetings and training with the Madeline Island Ambulance and have responded to calls for service. EMS Director Sarah Schram has thanked The La Pointe Police Dept and requested we continue to aid the Ambulance. Ofc. Alan Lindquist is actively training to be an Emergency Medical Technician (EMT) and will aid the Madeline Island Ambulance. Ofc Abbey Johnson has started her Field Training phase with Ofc Lindquist. Ofc Laakonen's hiring process is complete and he will be added to our schedule starting in February.

Sgt. Rossberger will be attending New Chief Training in January. Chief Defoe has been helpful in providing guidance and insight into the role of Chief of Police for Sgt. Rossberger.

If you know anyone that is interested in a career in law enforcement, please have them come talk to me about how they can get into the profession and possibly get sponsored by our department.

If there are any questions or if you wish to discuss things within the department, please feel free to contact me.

Ambulance Service Report – December 2025

Respectfully submitted by Sarah Schramm

Call Volume

The Ambulance Service responded to one (1) call during the month of December 2025, resulting in a quiet holiday season. This brought the total call volume for the year to 101 calls. For comparison, the service responded to 75 calls in 2024. This represents a continued upward trend in call volume, which is anticipated to continue.

Staffing & Coverage

Every call in 2025 was answered, reflecting a tremendous effort and accomplishment by the members of the Ambulance Service. The service continues to maintain 24/7 coverage. At minimum, patient transport requires one EMT and one EMR.

Training & Licensure

Beginning in January, both EMRs and EMTs will be renewing their licenses. EMRs are required to complete an 18-hour refresher course, while EMTs are required to complete a 40-hour refresher course. Both courses will be offered through Northwood Technical College in an online format.

Additionally, two members of the service who are currently certified as EMRs are scheduled to complete their hands-on training and testing through Allied Medical Training Center in Edina, Minnesota, toward the end of January. Upon successful completion of the hands-on component and NREMT testing, the service could increase its EMT staffing level to 13, which would be a healthy number to sustain ongoing 24/7 coverage. We wish them the best in their training and testing.

Equipment & Safety Purchases

To maintain and improve safety standards for EMS members, the service purchased roadway triangle flasher lights, outdoor gear, ice cleats, and headlamps. These purchases were made to enhance member safety during roadside responses, winter conditions, and low-light operations.

Interoperability & Communications (WISCOM 800)

The Ambulance Service, Police Department, and Fire Department are working together with Rich at Town Hall to apply for a \$50,000 interoperability grant through the State of Wisconsin. If awarded, this grant could help fund the purchase of radios compatible with the WISCOM 800 system, which is being implemented statewide.

WISCOM 800 is Wisconsin's statewide interoperable radio communication system designed to improve coordination among local, county, state, tribal, and federal emergency response agencies. WISCOM 800-compatible radios enhance communication during natural

RECEIVED
JAN 7 2026

initial

disasters, search and rescue operations, and incidents occurring in known communication dead zones such as the Town Park and State Park areas.

The Ambulance Service and Fire Dept. currently have several radios capable of communicating on the WISCOM 800 system. Additional compatible equipment would further strengthen interoperability, responder safety, and operational efficiency for all town emergency services.

AIRCRAFT HANGAR LEASE

MAJOR GILBERT FIELD AIRPORT
TOWN OF LA POINTE, WISCONSIN 54850

THIS AGREEMENT, entered into this 1st day of January, 2026 by and between the Town of La Pointe, Ashland County, State of Wisconsin, a Municipal Corporation existing under the laws of the State of Wisconsin, 240 Big Bay Road, Post Office Box 270, La Pointe, WI 54850, hereinafter referred to as the **Lessor**, and

Michael Stephan, 405 Tarrymore Ave., Minneapolis, MN 55419
Telephone: 612-327 3653

Arnold E. Nelson, PO Box 5, La Pointe, WI 54850
Telephone: 715-747-3300
Email address: nelson@cheqnet.net

hereinafter referred to as the **Lessee**.

WITNESSETH:

WHEREAS, Lessor owns and operates an airport in the Town of La Pointe, Ashland County, Wisconsin, which is named the Major Gilbert Field Airport and is also known as the Madeline Island Airport and 4R5, and said Lessor is desirous of leasing to the Lessee a certain parcel of land, hereinafter more fully described and located on said Airport, together with the right to use and enjoy individually and in common with others the facilities referred to for the purpose of aircraft storage: and

WHEREAS, Lessee will utilize the airport facilities of the Town for Lessee's plane and will occupy an Aircraft Hangar, and desires to lease said property and rights from the Town of La Pointe on and at such Airport.

NOW, THEREFORE, in consideration of the rental payments, and the covenants and agreements herein contained, Lessee does hereby accept, receive and lease from the Lessor, and the Lessor does hereby grant, demise and lease unto the Lessee the premises at said Airport which are described on the annexed Exhibit A as Hangar Lot 16, which is incorporated herein by reference, which Lessee leases for the term of this Lease.

- 1. TERM.** The term of this lease shall be for a period of ten (10) years, commencing on January 1, 2026, and ending on December 31, 2035. Lessee can request an extension of the current lease of up to 120 days from the expiration of this lease if the request is made prior to expiration date. Either party may terminate this Agreement for any reason upon six (6) months' written notice to the other party.

RECEIVED

JAN 9 2026

dg

2. **RATE.** The Lessee agrees to pay the rental charge per square foot of the leased premises, as per the applicable year's Town of La Pointe Schedule of Fees, payable to the Lessor at its Town Hall, at the time of the lease execution and no later than March 1 of each year thereafter. It is understood and agreed that the rental charge shall increase annually by the Consumer Price Index (CPI-U for the 12 months ending December). The Lessor will charge a fee of \$50.00 for any returned check and a late fee of \$100.00 for any lease payment received 30 days or later after the due date.

In addition, the Lessee shall pay the annual property taxes pertaining to the building as they become due and payable.

3. USE OF LEASED PREMISES.

- A. The Lessor will provide the hangar site; the site is leased "as is." Proper drainage is a problem at the Airport and the Town makes no representation to the contrary. The Town is not responsible for soil, fill quality, or drainage issues or damages for poor drainage on any site for any Lessee. All additional fill or excavation of material will be the responsibility of the Lessee.
- B. The Lessee shall have the right to erect an aircraft hangar upon said premises providing said hangar conforms to the Building Code Requirements of the Wisconsin Department of Safety and Professional Services and pertinent provisions or any local ordinance in effect.
1. During hangar construction, the hangar site will be maintained by Lessee for proper drainage of the site, taxiway and adjacent sites and hangars.
 2. Location of buried utilities is the responsibility of the Lessee.
 3. All installation and maintenance of utilities and approach apron going off the taxiway into the hangar is the responsibility of the Lessee.
 4. All metered service charges are the responsibility of the Lessee.
 5. All plans for such building/structures or modifications to building/structures shall be reviewed and approved by the Lessor prior to construction. Lessee will be responsible for obtaining all required land use and building permits from both the La Pointe Zoning Administrator and the Town's Commercial Building inspector.
 6. Lessee shall own the building during the term of the lease and pay all applicable property taxes related to the building. The Lessee shall pay a one-time fee to cover the Town's cost of recording this lease with the Ashland County Register of Deeds.
 7. Lessee shall maintain sufficient space in the hangar to store aircraft. Hangar use is primarily for aircraft storage.
 8. All outside appurtenance locations, including but not limited to electrical transformers, wells, holding tanks, propane tanks, etc., shall be approved in advance of installation by the Airport Manager, the Town Public Works Director and, if required, by the Ashland County Zoning department.

4. ASSIGNMENT AND SUBLEASING. Lessee shall not assign this lease in whole or in part, nor sublet the premises or any part thereof, without the prior written consent of the Lessor. No assignment of this lease will be considered unless the new proposed Lessee completes an Application for Transfer of Airport Hangar Lease. If the Lessor permits an assignment or a sublease, such permission shall in no way relieve the Lessee or Lessee's liability under this lease.

5. AIRPORT RULES AND REGULATIONS.

- A. Lessee agrees to obey all lawful orders, rules and regulations of all governmental authorities including the Town of La Pointe, Ashland County, the State of Wisconsin and the United States of America.
- B. Lessor may make such reasonable rules governing the premises as Lessor deems necessary. Lessee agrees to observe and comply with all such rules; any violation of the rules shall be deemed a breach of this lease. Lessor may make changes in the rules and shall give written notice of the changes to the Lessee at least fourteen (14) days before the new rules become effective.
- C. The Lessor reserves the right, but shall not be obligated to the Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of the Lessee in this regard.
- D. The Lessor reserves the right to take any action it considers necessary to protect the aerial approaches to the Airport against obstruction, together with the right to prevent the Lessee from erecting or permitting to be erected any building or other structure at the Airport which, in the opinion of the Lessor, would limit the usefulness of the Airport or constitute a hazard to aircraft or aviation.
- E. During time of War or National Emergency, the Lessor shall have the right to lease the landing area, or any part thereof, to the United States Government, for Military or Naval use. If any such lease is executed, the provisions of this instrument, insofar as they are inconsistent with the provisions of the lease to the Government, shall be suspended.
- F. The Lessee shall have:
 - the right to the non-exclusive use, in common with others, of the airport parking areas, appurtenances and improvements thereon;
 - the right to install, operate, maintain and store, subject to approval of the Lessor in the interests of safety and convenience of all concerned, all equipment necessary for the safe hanging of the Lessee's plane;
 - the right of ingress and egress from the described premises, which right shall extend to the Lessee's employees, guests, and patrons;
 - the right, in common with others authorized so to do, to use common areas of the Airport, including runways, taxiways, aprons, roadways, and other conveniences for the take-off, flying and landing of Aircraft of the Lessee.

- G. Lessee agrees that no signs or advertising matter may be erected without the consent of the Lessor.
 - H. Hazardous materials as defined by the Wisconsin State Division of Emergency Management and Department of Natural Resources shall not be stored in or on the premises unless they are stored in accordance with state rules and regulations and local fire codes.
 - I. No outside storage will be allowed on the Lessee's hangar's lot or at any other location on airport property other than Parking Lot A, for which a vehicle parking permit is required.
(Effective 7/3/2020)
6. **HOLD HARMLESS.** Lessee shall protect, defend, indemnify and hold Lessor and all of Lessor's officers, agents, employees and representatives harmless from any and all demands, claims, losses, damages, costs and other expenses associated with, relating to, or arising from, directly or indirectly, any act, omission, occurrence or incident involving damage to property or injury or death to person happening on the leased premises. This provision shall be broadly interpreted so as to afford maximum protection to Lessor from all claims of any nature or kind whether based on tort or contract or any other legal theory. The Lessee agrees that the Lessor will also not be responsible for damages of any kind related to any drainage issues or soil conditions.
7. **CERTIFICATE OF INSURANCE.**
- A. During the Time this lease or any renewal or extension hereof is in effect, Lessee shall be responsible for obtaining and maintaining adequate insurance protecting and covering any and all property which is present in or on Lessor's premise which is used, owned, possessed or controlled by Lessee or any agent, employee or representative of Lessee. Lessee hereby releases Lessor and all of Lessor's officers, agents, employees and representatives from any and all liability, responsibility and obligation for any loss or damage to property occurring on Lessor's property.
 - B. The Lessee shall, at Lessee's expense, maintain liability and property damage insurance covering the leased premises, issued by an insurance company authorized to do business in the State of Wisconsin, with property damage coverage of at least \$100,000.00 and liability coverage of at least \$500,000.00 per occurrence and at least \$1,000,000.00 aggregate. Lessee shall, at Lessee's expense, insure the premises against fire, wind, hail and liability. Lack of a current insurance policy with the above minimum coverage is grounds for termination of the lease. A copy of the current insurance policy must be provided to the Town Clerk by the Lessee on the yearly renewal date of the policy.
 - C. Lessee agrees not to make or permit use of the premises for anything that would adversely affect coverage of the premises under a standard fire and extended insurance policy.
8. **LIABILITY.** Nothing in this declaration or in the issuance of a permit or lease will create any liability for the Town of La Pointe to either the Lessor or the Lessee of the subject property.

9. MAINTENANCE AND PROTECTION

- A. Lessor agrees to extend to the Lessee the same Fire and Police protection extended to the other tenants and facilities of the Airport. Lessor makes no representations or warranties as to the effectiveness of such protection.
- B. Lessor agrees to provide snow removal services to the Lessee's leased premises in the Hangar areas except within three (3) feet of the aircraft hangar door. Such snow removal shall be accomplished only after all runways, apron, and primary taxiways have been cleared. Lessor will have no legal liability for any damage of any kind for doing or not doing any maintenance.
- C. The Lessee will maintain the structure occupied by him/her and the surrounding land premises in good order and make such repairs as are necessary. The Lessee will be responsible for the removal and disposal of all garbage/waste products generated by Lessee. The Lessor will provide lawn mowing around hangar. Lessor will have no legal liability for any damage of any kind for doing or not doing any maintenance. In the event of fire or any other casualty to structures owned by the Lessee, the Lessee shall promptly either repair or replace the building or remove the damaged building and restore the area leased by the Lessee. The Lessor may grant an extension of time if, at the Lessor's sole discretion, such extension is warranted.
- D. The Lessor reserves the right to enter upon the premises at any reasonable time for the purpose of making any inspection it may deem expedient to the proper enforcement of any of the covenants or conditions of this agreement.
- E. The Lessor reserves the right to further develop or improve the landing areas of the airport as it sees fit, regardless of the desires or view of the Lessee, and without interference or hindrance. If the aforesaid development of the airport requires the relocation of the Lessee, the Lessor agrees to provide a compatible location and agrees to relocate all buildings or provide similar facilities for the Lessee at no additional cost to the Lessee.

10. DEFAULT.

- A. Failure on the part of the Lessee, with the exception of the death or disability of the Lessee, to pay the rent hereunder within thirty (30) days after the same shall become due shall authorize the Lessor, at its option and without legal proceeding, to declare this lease void, cancel the same, and re-enter and take possession of the premises. In this event, Lessee shall have thirty (30) days to remove all structures, appurtenances, and items thereto belonging to the Lessee, or the property shall be considered abandoned. During the thirty (30) days allowed Lessee to remove items at either the normal end or termination of the lease, the Lessee will continue to pay prorated rent.

- B. If the Lessee shall leave any property on the premises for more than thirty (30) days after vacating or abandoning the property, Lessor shall have the right to dispose of the property as provided by law.
- C. If Lessee shall violate any of the restrictions in this lease, or shall fail to keep any of its covenants after written notice to cease such violation and shall fail to correct such violation within thirty (30) days, the Lessor may, if it so elects, terminate the same and take possession of the premises, removing Lessee with such force as is reasonably necessary. This is in addition to any other remedy Lessor has available under Wisconsin law.
- D. Lessee shall be responsible for any and all costs the Lessor incurs in acquiring and disposing of items of the Lessee's property that remain on the leased premises.

11. LEASE EXPIRATION. In consideration of the agreements contained herein, at the expiration of this lease agreement, on or before December 31, 2035, Lessee at his/her option shall elect either of the following:

- A. To remove the Aircraft Hanger Building and any equipment and attachments hereto, from Lessor's property at the Airport. Any expenses of removal, including removal of all debris, shall be the obligation of the Lessee. Lessee shall restore Lessor's property to its original condition. The removal of the building and restoration of the property shall occur within sixty (60) days, during which time the Lessee shall continue to pay prorated rent.
- B. To request a new lease agreement for an additional period of up to ten (10) years on substantially similar terms for rental of the property upon which Lessee's Aircraft Hangar Building is situated.

12. SUBORDINATION. This lease shall be subordinate to the provisions of any existing or future agreement between the Lessor and the United States or the State of Wisconsin relative to the operation or the maintenance of the airport, the execution of which has been or may be required as a condition precedent to the expenditure of federal or state funds for the development of the airport. Furthermore, this lease may be amended to include provisions required by those agreements with the United States or the State of Wisconsin.

IN WITNESS WHEREOF, the parties hereunto have executed this agreement the day and year written below.

Resolution #2026-0113

INTENTION TO JOIN THE STATEWIDE PUBLIC SAFETY INTEROPERABLE COMMUNICATION SYSTEM

WHEREAS, Wisconsin Statute § 323.29(5) requires the Wisconsin Department of Military Affairs to provide grants to local units of government for public safety interoperable communication system upgrades.

WHEREAS, the Wisconsin Department of Military Affairs refers to the statewide public safety interoperable communication system as WISCOM, and the upgraded 7/800 MHz system as WISCOM 800.

WHEREAS, Wisconsin Statute § 323.29(5)(b)2 requires that, to be eligible for a grant, the local unit of government's governing body submit a resolution or other written commitment indicating its intent to join the replacement statewide public safety interoperable communication system when it becomes available.

WHEREAS, Wisconsin Statute § 323.29(5)(b)2 requires that, to be eligible for a grant, the local unit of government's governing body submit a resolution or other written commitment indicating the local unit of government's intent to spend its own funds in an amount equal to 20 percent of the total grant awarded.

NOW, THEREFORE, BE IT RESOLVED by the Town of La Pointe Town Board, that the Police, Fire and Emergency Services Departments are hereby committed to joining the replacement statewide public safety interoperable communication system as an interoperable user when it becomes available and will spend its own funds for 20 percent of the total of any grant awarded.

This resolution was duly passed on this _____ day of _____, 2026

area technical colleges (WITC - New Richmond and WITC River Falls). My program was part of a film series produced by UW-Madison, titled, It Takes a Village, and designed as an educational tool to be used nationally and globally.

I was hired as the Educational Consultant for Family Forum Head Start, serving the 5 northern counties in Wisconsin, in 2002. I was eventually hired as a full-time employee by them, serving as their Program Manager for Education and Disabilities. I was responsible for developing staff and teacher trainings in numerous related areas, conducting teacher/classroom observations and assessments, coaching of teachers and staff, writing program policies to ensure compliance to federal standards, collecting, interpreting, and reporting all child outcome data to the full agency and the federal regional directors. I also worked closely with the Director and Program Manager team through regular meetings and communications to ensure coordination and alignment of goals.

I retired from this position in 2018.

In 2020 I was asked to teach a preschool program on the island so that families would have an "on-island" option for pre-schooler. I was contracted by the Town for this position and have been operating the Little Learner's program since that time.

Ice Rescue Memorandum of Understanding

Between

Town of La Pointe
La Pointe Volunteer Fire Department
Ice Rescue Squad

Madeline Island Transportation LLC
Windsled Transportation, Inc.

THIS AGREEMENT is entered into this ____ day of _____, 2026, by and between the Town of La Pointe, La Pointe Volunteer Fire Department Ice Rescue Squad and Windsled Transportation, Inc and Madeline Island Transportation, LLC.

1. Purpose of Agreement. This agreement is made in recognition that the above named parties each have resources and expertise which can be mutually shared in providing ice rescue.
2. Authority. This agreement is authorized under terms of the Equipment Lease and Operating Agreement between the Town of La Pointe and Windsled Transportation, Inc. and Madeline Island Transportation, LLC.
3. Authorized personnel. Authorized personnel only are allowed in the windsled during rescue and training runs. Authorized personnel are defined as:
 - a. Employees of the Winter Transportation operating company which is under contract to the Town of La Pointe, subject to the terms of that lease and operating agreement.
 - b. Ice Rescue Squad personnel authorized and assigned by the La Pointe Volunteer Fire Department and Madeline Island Ambulance as follows:
Approved List: Jay Wiltz
Alan Hardie
Red Eldred
Tyler Andreas
4. Chain of Command. Command of rescue operations shall be by the senior officer of the Ice Rescue Squad aboard during operations, or his or her designee. The ultimate decision to respond with the windsled is entrusted to the most senior windsled operator at the rescue operation.

RECEIVED

JAN 8 2026

Initial: dg

5. Expenses. Specialized equipment, operating expenses, training costs, and other associated costs occurred during any operation shall be the responsibility of the Town of La Pointe through the Fire Department budget.
6. Availability for Rescue. The windsled shall be available at all times for response to rescue emergencies. During times of operation of the Winter Transportation system which requires the use of the windsled the contract operators shall keep in direct contact with members of the Ice Rescue Squad. The Ice Rescue Squad shall be kept informed of the readiness of the windsled at all times.
7. Availability for Training. During times that the windsled is not being used by the winter transportation operating company it shall be available for training use by qualified operators of the Ice Rescue Squad. The Ice Rescue Squad shall coordinate all training use with the contract operators.
8. Equipment. The contract operators of the Winter Transportation System shall keep safe from unauthorized use any dedicated rescue equipment in their possession, and shall not move, alter, or dispose of any such equipment from the dedicated storage positions in any of the windsleds or vans without prior approval of the Fire Chief.
9. Compensation. The contract operators of the winter transportation system who are not members of the Ice Rescue Squad shall be compensated for time spent at rescues and training conducted under the direction of the Ice Rescue Squad per the terms of the Equipment Lease and Operating Agreement.
10. Ice Rescue Squad Membership. Winter transportation contract operators shall be considered members of the La Pointe Volunteer Fire Department when participating in rescue and training operations outside of the term of the Equipment Lease and Operating Agreement.
11. Insurance. Insurance coverage for Town of La Pointe emergency services personnel and equipment will be provided per the terms of the Equipment Lease and Operating Agreement paragraph #6.
12. Hold Harmless. During emergency rescue and training operations the Town of La Pointe agrees to protect and save Windsled Transportation, Inc. harmless against any losses or damage to the equipment by any cause and, during emergency rescue and training operations the Town of La Pointe shall and hereby does assume all liability to any person whomsoever arising from the location, condition, or use of the equipment and shall indemnify and does indemnify Windsled Transportation, Inc. of and from all liability, claim, and demand.
13. Terms of Agreement. This agreement shall remain in effect and run concurrent with the term of Equipment Lease and Operating Agreement. The agreement shall be

reviewed for re-affirmation or modification prior to a new Equipment Lease and Operating Agreement.

The parties herein affix their signatures the day indicated and this agreement shall take effect upon the date of its last execution.

CONTRACT FOR SERVICES

This contract for services is made and entered into between the Town of La Pointe in Ashland County, Wisconsin, (the "Town") and YWS Technology LLC (the "Contractor").

RECITALS

WHEREAS, the Town desires to obtain the services described herein; and

WHEREAS, the Contractor represents to the Town that it has the expertise, knowledge and experience necessary to properly perform this contract according to its terms and that it is ready, willing and able to do so,

NOW, THEREFORE, in exchange for the valuable consideration set forth herein, the Town and the Contractor hereby agree as follows:

1. Description of Services. The Contractor, in accordance with the terms and provisions set forth herein, will provide the Town with the following services:

Under the Annual Service Contract:

- a) One on-site visit per quarter, including 3 hours' PC and server maintenance, mileage, ferry transportation, and remote access licenses
- b) Remote monitoring of critical server systems (1 hour per month), including remote access licenses
- c) Managing domain name hosting
- d) Remote work as necessary on server and

Such services will be provided at:

La Pointe Town Hall – 240 Big Bay Road
SRE Building (includes shop and airport) – 797 Big Bay Road
ESB Building – 320 Big Bay Road
Materials Recovery Facility – 412 Big Bay Road
Other locations as requested

2. Payment. In exchange for the Contractor providing the Town with the services described herein, the Town will pay the Contractor as follows:

- \$3,000 per year for the Annual Service Contract, to be invoiced in January of each year
- Additional hours at the rate of \$85.00 per hour, plus ferry and mileage costs
- Additional hours will be invoiced within 60 days of service date and include itemization of services provided and the Town department(s) served

The total amount payable by the Town to the Contractor for services under this contract (not including materials/equipment) in no event shall exceed \$15,000 per year unless the Town Board provides advance approval.

3. **Dates of Service.** The services provided for herein shall be provided between January 1, 2026 and December 31, 2027.

4. **Reimbursement for Expenses.** The Contractor shall bear costs and expenses under the terms of this Contract. However, in addition to the aforesaid payment for services, the Town will reimburse the Contractor for the following actual out-of-pocket expenses incurred in connection with performing this Contract:

- Materials and equipment as billed.
- Travel beyond the one on-site visit per quarter included in Section 1.

The Contractor shall, prior to reimbursement, provide the Town with a receipt for each reimbursement sought, which supports the requested reimbursement.

5. **Workmanlike Manner.** The services provided by the Contractor shall be provided in a workmanlike manner consistent with the terms and provisions of this contract.

6. **Warranty.** The Contractor warrants that:

- a) All services it provides pursuant to this contract will be performed in accordance with all applicable federal, state and local laws, rules, regulations, codes and ordinances; and
- b) Any project or work of improvement the Contractor works on pursuant to this contract will comply when it is completed with all applicable federal, state and local laws, rules, regulations, codes and ordinances; and
- c) In the event it is determined that the Contractor has breached this warranty, the Contractor will promptly, upon being notified of such breach, immediately correct and cure the breach.

7. **Compliance with Regulations.** Within five (5) business days after this contract has been signed by the Contractor, the Contractor will provide the Town with a legible copy of each license, certificate and permit which has been issued to the Contractor evidencing that the Contractor is authorized by law to provide the services described in this contract. Compliance with this provision is a condition precedent to the performance of this contract.

8. **Assumption of Liability.** Each party to this contract accepts and assumes and shall be liable and responsible for any and all damages, injuries, deaths, losses, costs, expenses, fees and charges caused by the acts, omissions and negligence of its own directors, officers, members, employees, agents and representatives and any subcontractors and shall protect, defend and hold the other party to this agreement harmless from the same.

Neither party to this contract shall be liable or responsible for the negligence, acts or omissions of the other party or the other party's directors, officers, members, employees, agents or representatives.

9. **Limit of Liability.** Unless a result of gross negligence or willful misconduct, the liability of either party to the other for any type of damages is limited to the amount of Contractor's total fees under this Contract for that year.

10. **Hold Harmless.** The Contractor covenants that it will protect, defend, indemnify and hold the Town harmless from and against any and all claims, actions and causes of action filed or asserted by any person, entity, governmental unit or department against the Town or its supervisors, officers, employees, agents or representatives, for any damages, injury, death, losses, costs, expenses and fees or charges associated with, related to or arising from any occurrence, accident or incident caused by any negligence, act or omission of the Contractor or its officers, members, employees, agents or representatives in connection with this contract and its performance.

11. **Relationship Between Town and Contractor.** With respect to this contract, the Contractor shall be an independent contractor in regard to the Town and not an employee of the Town. As such, the Contractor shall, in accordance with Sec. 907(8)(b) Wisconsin Statutes:

- a) Maintain its business separate and apart from the Town.
- b) Hold a Federal Employer Identification Number for its business or else file a self-employment income tax return with the IRS reflecting its status.
- c) Control the means of performing this contract.
- d) Incur the main expenses relating to services provided under this contract.
- e) Be responsible for the satisfactory completion of the services provided for herein and be liable for a failure to complete the work or service specified herein.
- f) Receive the compensation provided herein on the basis provided for herein.
- g) Realize a profit or suffer a loss under this contract depending on how the Contractor performs.
- h) Have continuing reoccurring business liabilities and obligations.
- i) Operate a business, the success or failure of which depends on the relationship between business receipts and expenditures.

12. **Proof of Insurance.** Within five (5) business days after signing this contract, the Contractor shall file with the Town Clerk written documentation establishing that the Contractor has in effect the following types and amounts of insurance coverage:

- a) Worker's compensation insurance, if applicable.
- b) Liability insurance with limits of at least \$1,000,000 per occurrence.

13. **Default; Termination.** In the event of a default by either party in the performance of an obligation under this contract which continues for a period of twenty (20) days following written notice thereof to the party in default, the other party to this contract may terminate this contract by written notice to the party in default.

14. No Assignment. Neither party to this contract may assign their rights or obligations under this contract to another, in whole or in part, without prior written consent of the other party. Any assignment or attempted assignment in violation of this provision shall be null and void.

15. Applicable Law; Venue. This contract shall be interpreted under the laws of the State of Wisconsin. Any suit or proceeding relating to this contract shall be venued in Ashland County, Wisconsin.

16. Entire Agreement; Amendment. This contract sets forth the entire understanding and agreement between the parties relating to the subject of this contract and supersedes and replaces any prior discussions, negotiations and agreements, oral or written. This contract may be amended only by a writing signed by the undersigned.

17. Binding Contract. Each of the undersigned states they have read this contract in its entirety, that they understand each of its terms and provisions and that they sign the same freely and voluntarily, intending to be legally bound hereby.

18. Notice. Any notice to either party under this contract shall be in writing and be served either personally or by registered or certified mail addressed as follows:

BOARD OF HARBOR COMMISSIONERS OF THE TOWN OF LA POINTE

LOCAL TARIFF NO. 4

COMMODITY AND PASSENGERS

Between Bayfield, Wisconsin and La Pointe, Wisconsin

Issued January 14th, 2026 - Effective February 14th, 2026

Issued by

Harbor Commission of the Town of La Pointe

La Pointe, Wisconsin

RECEIVED
JAN 9 2026

dg

2026 RULES, REGULATIONS AND APPLICATION OF RATES

No. 5. Application of Rates

The rates herein set forth apply between the Bayfield Ferry Dock and the La Pointe Dock except when weather conditions make temporary use of a substitute dock at Bayfield necessary.

No. 10. Payment of Charges

All charges shall be paid in cash at time of delivery except when special arrangements are made before acceptance of freight. Charge accounts must be paid in full within 30 days after the end of the month unless special arrangements are made. Customers with accounts over 45 days will not be allowed to purchase or add to the magnetic cards for discount travel (passenger or car). Outstanding charge account \$ may be taken off a customer's NFC card balance and vice versa.

No. 15. Loading and unloading

All freight will be loaded and unloaded promptly but the right is reserved to postpone such operations temporarily if they interfere with the fixed operating schedule of the boat used.

No. 20. Reservations

Because of the limited capacity of the ferry and because of the uncertainty of weather conditions, the management reserves the right to restrict the number, quantity or size of vehicles or other articles of freight. Management reserves the right to refuse to make any scheduled or special trip because of danger due to weather conditions. Customers responsible for trucks over 25 feet long, a motor coach, or large loads, are requested to call the La Pointe office to reserve space in advance. Reservations do not obligate the company to load the above vehicle in disregard for safety or prudent judgment of the captain.

No. 25. Taxes

Any transportation tax shall be added to the rate of fare in each instance.

No. 30 Articles Not Accepted

The following articles will not be accepted for transportation:

- Articles of extraordinary value and/or the transportation of which is prohibited by law.
- Articles or material liable to cause damage to or negatively affect other merchandise or equipment
- Explosives or flammables (except in D.O.T. approved/marked vehicle or containers)
- Articles poorly packaged or which arrive at our terminal in obviously damaged condition
- Items of freight excessive in size or weight
- Vehicles determined unsafe to drive or unsafe to transport due to substandard equipment, weak brakes, leaking fluids, or center of gravity too high for sea state, or excessive size or weight or flammables in large quantities in non-D.O.T. approved containers.
- Unmarked articles or suspicious materials
- Articles for customers with no charge accounts

No. 35. Display of Rate Schedule

The above rules and the minimum rate schedule shall be made available at ticket booths and in the ferry office at La Pointe.

No. 40 Minimum charge

The minimum charge on any freight shipment shall be \$5.25.

No. 45 Freight Storage Charge

Freight other than small packages which can be stored on shelves, may be charged storage at an additional \$5.25 per day beyond day received (\$10/day if oversize +108 combined inches or +50 lb). The Harbor Commission is not responsible for items (coming to the Island dock, freight building or to the passenger terminal in Bayfield) not picked up within 2 days.

^Car (passenger automobile less than 19 ft in length)

^^Compact car* (passenger automobile less than 17 ft in length)

The above Regular Passenger, Regular Passenger w/car, Regular passenger w/compact car and Senior (any person 65 yrs of age or older) NFC cards may be purchased and used year round. These tickets are for individual family member or car use only and may not be used by groups. The permissible passenger cars lengths are listed above. Only trailers (less than 17 ft in length) priced at \$19.00 each way are eligible for NFC card (discount) travel.

NFC cards are available for purchase in the Island ferry office only.

FUEL SURCHARGE 2026

The Harbor Commission may add the following fuel surcharge (to all forms of payment) when ferry fuel cost rises to or above \$3.75/gal. This surcharge will be dropped when the fuel cost drops below \$3.75/gallon.

Automobiles/passenger trucks (<19 ft in length)	1.00 each way
\$26.00 trucks or trailers and 17<22 ft trailers	1.75 each way
Trucks, buses, motorhomes, trailer or tractor trailer combinations 22 ft and less than 25 ft in length	2.25 each way
Trucks, buses, motorhomes, trailer or tractor trailer combinations 25 ft and less than 35 ft in length	2.75 each way
Trucks, buses, motorhomes, trailer or tractor trailer combinations 35 ft and less than 55 ft in length	4.00 each way
Trucks, buses, motorhomes, trailer or tractor trailer combinations 55 ft in length and over	9.50 each way
Mobile/modular homes (not including tow vehicle)	1.25 per foot length

The Harbor Commission may increase the following fuel surcharge (to all forms of payment) when ferry fuel cost rises to or above \$4.25/gal. This surcharge will be dropped when the fuel cost drops below \$4.25/gallon

Automobiles/passenger trucks (<19 feet in length)	1.50 each way
\$26.00 trucks or trailers and 17<22 ft trailers	2.00 each way
Trucks, buses, motorhomes, trailer or tractor trailer combinations 22 ft and less than 25 ft in length	2.50 each way
Trucks, buses, motorhomes, trailer or tractor trailer combinations 25 ft and less than 35 ft in length	3.00 each way
Trucks, buses, motorhomes, trailer or tractor trailer combinations 35 ft and less than 55 ft in length	7.00 each way
Trucks, buses, motorhomes, trailer or tractor trailer combinations 55 ft in length and over	16.00 each way
Mobile/modular homes (not including tow vehicle)	1.50 per foot length
Load	.50 per ton

The Harbor Commission may increase the following fuel surcharge (plus the surcharge immediately above) when ferry fuel cost rises to or above \$4.25/gal. This surcharge will be dropped when the fuel cost drops below \$4.25/ gallon.

Passenger (all forms of payment)	.50 each way
----------------------------------	--------------

Harbor Commission Policy for Gratis/Reduced Ferry Transportation for Individuals, Groups or Special Events

The Harbor Commission provides free transportation for the following:

- 1) Honor/Color Guard for Memorial Day Celebration or Military Funerals;
- 2) Mutual aid for La Pointe Fire, Police, and EMS, as well as any funeral procession for any such fallen, active, or retired members;
- 3) EMS, Fire, or Police entities volunteering assistance in managing large events, such as the Madeline Island Marathon, In-Line Skate Marathon, or Point to La Pointe Swim;
- 4) Summer, after-school, and weekend passenger travel by school-age children of Madeline Island residents, or school-age children of active Town of La Pointe employees (each with valid, unexpired student IDs, current year paystub, or similar);
- 5) Passenger and vehicles (<19ft)(no trailers) on the first Saturday of December each year.
- 6) Weekday work travel for Bayfield School teachers and staff.

The Harbor Commission provides reduced transportation for the following:

- 1) Travel by school-age children of active Town of La Pointe employees (each with valid, unexpired student IDs, current year paystub, or similar) during school days shall be at the contracted fares paid by the School District of Bayfield for Island resident students.

**TOWN OF LA POINTE
REGULAR TOWN BOARD MEETING
DECEMBER 9th, 2025 at Town Hall**

at 4:45PM

Draft Minutes

Town Board Members Present: Supervisor Aimee Baxter, Supervisor Samantha Dobson (4:46pm), Supervisor Mike Anderson, Supervisor Sue Brenna, Town Chair Glenn Carlson
Staff Present: Zoning Administrator Rich Kula, MRF Interim Supervisor Evan Erickson (via zoom), Town Administrator Max Imholte, Town Clerk Alex Smith
Public Present: John Carlson, Charley Brummer, Paul Brummer
Call to Order: 4:45pm

I. Public Comment A*

Mike Anderson gave kudos to all the recent public meetings, including Harbor Commission Public Briefing & IPC Zoning Lessons Learned.

John Carlson suggested moving the Town Board meeting back to 5pm to better accommodate Supervisor Samantha Dobson. He also commented on the non-motorized vehicle fees for commercial (\$40) being less than personal use (\$50) and suggested it be looked into before approving the fee schedule.

II. Administrative Reports

- A. Town Administrator's Report: Prepared by Max Imholte.
- B. Public Works Director's Report: Prepared by Pete Wiggins.
- C. MRF Supervisor's Report: Prepared by Evan Erickson.
- D. Airport Manager's Report & Checklist: Prepared by Paul Wilharm.
- E. Planning and Zoning Administrator's Report: Prepared by Rich Kula.
- F. Accounting Manager's Report: Prepared by Liz Brown.
- G. Police Chief's Report: Prepared by Thom Rossberger.
- H. Fire Chief's Report: Prepared by Jay Wiltz.
- I. Ambulance Director's Report: Prepared by Sarah Schram.

All monthly reports placed on file by unanimous consent.

III. Public Works: Nothing to discuss at this time.

IV. Committees: Nothing to discuss at this time.

V. Town Hall Administration

- A. Resolution #2025-1209 'Establish a Madeline Island Child Care Task Force':
Motion to approve Resolution #2025-1209 & establish a child task force, M. Anderson/S. Brenna, 5 Ayes, Motion Carried.
- B. Resolution #2025-1209 (B) 'Appointment of Election Inspectors':
Motion to approve Resolution #2025-1209 B and appoint election inspectors, M. Anderson/S. Dobson, 5 Ayes, Motion Carried.
- C. Approve 2026 Schedule of Fees:
Motion to approve the presented 2026 Schedule of Fees with change to non-motorized

TOWN OF LA POINTE
Board of Harbor Commissioners
Thursday December 18th, 2025
9am at Town Hall and Live via YouTube
Approved Minutes

Commissioners Present: Zach Montagne, Glenn Carlson, Mary Ross, Michael Collins, Susan Widmar, Evan Erickson Jr. (absent Jay Wiltz)

Staff Present: Katie Kisner, Chief Administrative Officer and Interim Harbor Commission Secretary

Public Present: Robin Russell (via Zoom), Cal Linehan (via Zoom)

1. Call to Order: Meeting called to order at 9am by Z. Montagne.
2. Roll Call: All members, staff and public present as listed above.
3. Public Comment A*: Evan Erickson Jr. wishes the crew a Merry Christmas and a thank you for working Christmas Eve and Christmas Day.
4. Minutes – 11/20/25; 12/02/25; 12/08/25: Motion by Z. Montagne to approve the 11/20/25 minutes as presented, seconded by Evan Erickson Jr, all in favor, motion carried. Motion by Michael Collins to approve the 12/2/25 and 12/8/25 minutes as presented, seconded by Evan Erickson Jr, all in favor, motion carried.
5. Chief Administrative Officer Report – Katie Kisner: December revenue as of Monday the 15th was \$63,323.50. Katie Kisner provided November monthly reports and the WorkBoat Show report provided by Cal Linehan. Motion by Z. Montagne to place the CAO report on file, seconded by M. Ross, all in favor, motion carried.
6. Discussion on Late Boat Requests: Consensus to follow MIFL LLC's recommendation and not delay the 5pm boat to 5:30pm due to unsafe conditions.
7. 2026 Ferry Schedule: The Harbor Commission discussed adding the 8am ferry back to the freeze up schedule. Motion by Z. Montagne to not make any adjustments to the current schedule and to table the discussion of adding an 8am ferry back to the freeze up schedule for 2026 until next meeting, seconded by G. Carlson, all in favor, motion carried.
8. Discussion on Removal of Winter Surcharge: The Harbor Commission discussed implementing a summer surcharge instead of a winter surcharge. MIFL LLC recommends dropping the surcharge across the board and work it into a 2027 tariff increase. Consensus that it is the Harbor Commission's intention to eventually remove the winter surcharge. No action was taken.
9. Compensation Resolution 2026: Motion by G. Carlson to approve as presented, seconded by Z. Montagne, all in favor, motion carried.

10. Consider Approval of 2026 Harbor Commission Budget: Motion by G. Carlson to approve as presented, seconded by M. Ross, all in favor, motion carried.
11. Mayor of Bayfield Meeting Update: Zach Montagne and Glenn Carlson met with Mayor Lyn Cornelius along with Bayfield Harbor Commission members. It was a great conversation that ended with an agreement to not pursue the head tax requested but that the Town of La Pointe will provide payment in lieu of this. This will most likely result in an addendum to the current MOU between City of Bayfield and Madeline Island Ferry Line Inc.
12. Rapid Response Communications: Consensus to not create a social media page specifically for the Harbor Commission. Cal Linehan will CC Katie Kisner on special trip confirmations and cancellations.
13. Approval of Bills: Motion by Z. Montagne to approve the bills in the amount of \$246,912.64, seconded by E. Erickson Jr, all in favor, motion carried.
14. Future Agenda Items: 2026 Ferry Schedule, Removal of Winter Surcharge, Letter to School, MIFL LLC Ownership
15. Meeting Dates: Thursday January 8th, 2026 at 9am.
16. Public Comment B**: Glenn Carlson states that there are currently no candidates for the Sanitary District and that there will be an open seat in the April election. Evan Erickson Jr. wishes Cal Linehan a Merry Christmas.
17. Review of MIFL Management Contract: Motion by S.Widmar to enter closed session, seconded by Z. Montagne, 6 ayes 1 absent, motion carried. Meeting in closed session at 10:07am.

This meeting may, upon duly made motion, be convened in closed session under State Statute 19.85 (1)(e) Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session. If the Commission goes into closed session, it will reconvene in open session before adjourning.

Motion by G. Carlson to enter back into open session, seconded by M. Collins, 6 ayes 1 absent, motion carried. Meeting back in open session at 10:19am.

18. Adjourn: Motion to adjourn by S. Widmar, seconded by M. Collins, all in favor, motion carried. Meeting adjourned at 10:19am.

Respectfully submitted by Katie Kisner, Interim Harbor Commission Secretary, Thursday December 18th, 2025.

Minutes approved as presented Thursday January 8th, 2026. K.Kisner.
